The Honorable Edward G. Rendell
Governor of Pennsylvania
225 Main Capitol Building
Harrisburg, PA 17120

Dear Governor Rendell:

The Delaware Valley School District is pleased to endorse your vision of energy independence for the citizens of the Commonwealth of Pennsylvania.

The energy proposal that you initiated will help Pennsylvania grow business in an environment, which is both economically and environmentally sound. You have placed your strategy on a firm foundation: helping the energy consumer to reduce energy use. Each element of your proposed program will help us to advance green building practices in all areas of the Pennsylvania economy.

Delaware Valley School District looks forward to doing our part to achieve your goal of energy independence for a better Pennsylvania.

Sincerely,

Candis M. Finan, EdD
Superintendent
