ENERGY ROUNDTABLE CONFERENCE

FOR WATER & WASTEWATER TREATMENT PLANTS

4/2012

Energy roundtable conference for Water and Wastewater Treatment Plant operators, engineers and owners who want to learn more about reducing their plant's operating costs through strategic energy conservation and energy efficiency opportunities.

Energy conservation and Energy efficiency can help treatment plants improve their bottom line, reduce operating costs, decrease waste and improve environmental performance.

This roundtable conference will provide real world examples, tools and financing options to assist the facility and its operators in: measuring existing plant performance, evaluating options for improvement, implementing appropriate measures to optimize plant performance, securing upper management support, and identifying and securing potential financing options.

Certified Treatment Plant Operators will receive two (2.0) contact hours toward their continuing education requirements and professional engineers can earn seven (7.0) Professional Development Hours (PDHs) for attending.

Featured presenters include:

Dennis Maloskey, PE, CEM, GBE, LEED-AP, Director SE&D, PA Governor's Green Government Council, U.S. Green Building Council (Board Member)

Walter Higgins, Environmental Protection Agency (EPA) Region III, Water Protection Division, Office of Infrastructure and Assistance

Dan Buck, Facility Manager, PA Department of Corrections, State Correctional Institution, Laurel Highlands

Paul McCurdy, Environmental Manager, The Borough of Ridgeway

Allen Sarver, Member, Franklin Township Municipal Sanitary Authority

Jim Kern, EPA Region III Water Protection Division, Office of Infrastructure and Assistance

Matthew Yonkin, PE, BCEE, CEM, Sr. Manager, Integrated Energy Solutions, Siemens Industry, Inc.

Magdalene Cunningham, EPA Region III Water Protection Division, Office of Infrastructure and Assistance

Brian T. Johnson, Deputy Executive Director for Project Management, Pennsylvania Infrastructure Investment Authority

Tom Brown, Water Program Specialist, PA Department of Environmental Protection (DEP)

Libby Dodson, Division Chief, PA Department of Environmental Protection, Office of Pollution Prevention and Energy Assistance

Valerie Breznicky, EPA Region III, Water Protection Division, Office of Infrastructure and Assistance

This reduced fee (\$60), full-day workshop is sponsored by the DEP and the EPA.

Funding for this workshop has been provided through a U.S. Department of Energy State Energy Program grant.

The goal of DEP's Office of Pollution Prevention and Energy Assistance is to effectively work with industry, citizens' groups, businesses, trade organizations, local governments and communities to help reduce pollution and save energy.
