The 2009 International Energy Conservation Code – Energy Code Compliance for Commercial Building

Detailed Residential Energy Plan Reviews and Inspections

Six Uniform Construction Code (UCC) continuing education hours awarded for each session.

The 2009 International Energy Conservation Code – Energy Code Compliance for Commercial Building

This one-day program provides an overview of the commercial provisions of the 2009 International Energy Conservation Code (IECC), including building envelopes, mechanical systems, service water heating, and electrical power and lighting systems. Special emphasis is placed on proper data input for, and review of, COMcheck software compliance materials. After attending this program, attendees will be able to:

- Understand the scope and applicability of the commercial provisions of the 2009 IECC
- Understand the basic requirements in the commercial provisions of the 2009 IECC
- Input data accurately into COMcheck software
- Accurately and thoroughly review COMcheck compliance certificates

Instructor:

The Pennsylvania Housing Research Center

Required Materials:

The 2009 International Energy Conservation Code

Dates and Locations:

- **Feb 21, 2013 – Northampton County**
Sands Casino Resort Bethlehem
- **March 7, 2013 – Delaware County**
Best Western Concordville Hotel
- **March 21, 2013 – Allegheny County**
Holiday Inn Pittsburgh Airport

Detailed Residential Energy Plan Reviews And Inspections

This one-day program begins with a brief overview of the residential provisions of the 2009 International Energy Conservation Code (IECC), followed by an outline of a process for performing a detailed plan review for energy code compliance. The rest of the morning consists of a hands-on plan review exercise to give attendees experience with performing plan reviews for energy code compliance. The second half of the program will involve an on-site insulation/air sealing inspection (if logistically feasible), or a series of video clips with class discussion. Note that this program assumes that attendees have a working knowledge of the IECC. After attending this program, attendees will be able to:

- Perform a thorough energy plan review
- Understand air sealing and insulation inspection items
- Follow a process for completing thorough energy inspections
- Accurately assess every item in a provided plan review and insulation checklist

Instructor:

The Pennsylvania Housing Research Center

Required Materials:

The 2009 International Energy Conservation Code

Dates and Locations:

- **May 2, 2013 – Luzerne County**
Quality Inn & Suites
- **May 9, 2013 – Chester County**
Wyndham Garden Exton Valley Forge
- **May 21, 2013 – Westmoreland County**
Ramada Ligonier

Registration Information

For your convenience, PCCA provides several options for registration:

- Complete the registration form attached to this brochure and mail it with payment to PCCA, 4855 Woodland Drive, Enola, PA 17025-1291.
- Fax the registration form to PCCA at 717 763-9732 using a major credit card (Visa, Mastercard or Discover) or purchase order.
- Visit the website at www.paconstructioncodesacademy.org and register online using a major credit card (Visa, Mastercard or Discover).

Because space is limited, registrations for PCCA courses will be accepted on a first-come, first-served basis. Please register as early as possible to ensure seating; walk-ins may be accepted if space and materials are available.

A confirmation letter with directions to the training location will be sent to those pre-registered students approximately 10 business days prior to the course.

Cancellation Policy: Cancellations must be received in writing by faxing to 717 763-9732 or sending an email to cancellations@psats.org. Refunds will be determined by the date of the fax or email. A cancellation received less than 10 business days of the session you are registered for, is subject to a \$20 processing fee for refunds. Those who cancel within two business days of the session date or do not attend, forfeit the full registration fee and if unpaid, will be invoiced. Credit toward future PCCA courses may be accepted upon approval from the PCCA administrator; substitutions may be accepted.
