This course provides credit towards the Department inspector training requirement for the renewal of the IAM and IAF certification categories, as well as the Administrative Training requirement for the renewal of tank handling certification categories.

Registration is required and must be received by the department no later than two weeks prior to the date of the session you wish to attend. **Do not call the Regional Office to register.** You must fax, mail or e-mail this registration form to the attention of **Chad Clancy**, AST Unit Chief, Pennsylvania Department of Environmental Protection, Bureau of Environmental Cleanup and Brownfields, Division of Storage Tanks, PO Box 8763, Harrisburg, PA, 17105-8763. Fax: 717-772-5598. e-mail: cclancy@pa.gov.

The training is tentatively scheduled on the above dates, but sessions with too few applicants registered may be combined with other sessions to defray expenses. In the event that sessions are combined you will be notified at least one week in advance of the cancelled session and all reasonable efforts will be made to reschedule you to another session of your choice.
