Anthracite Underground Mine Operators

Gentlemen:

This is to inform you the Bureau of Deep Mine Safety has scheduled an anthracite underground blaster's certification training course on December 15 at 8:00 a.m. to 4:00 p.m. at the Tremont Mine Rescue Station, Tremont, Pa. If you are interested in taking the course, please contact either the Pottsville office or the Tremont Mine Rescue Station (570-695-3610) to register.

If you have any questions, please don't hesitate to contact us.

On behalf of our bureau, we would also like to wish you and your families a happy holiday.

Sincerely,

Paul L. Hummel
Chief
Anthracite & Industrial Minerals Mine Safety Division
