

**BITUMINOUS MINE OFFICIALS' CERTIFICATION
APPLICATION GUIDELINES AND EXAMINATION INFORMATION**

PART 1: APPLICATION GUIDELINES:

*PLEASE TAKE TIME TO READ THESE GUIDELINES **BEFORE** COMPLETING APPLICATION.*

- The only application to be used for this examination is **5800-FM-MS0076 Rev. 2/2015**, which is enclosed with these guidelines. If more copies of page 4 (Employer's Verification of Experience) are needed, photocopies are acceptable.

REMEMBER:

- Sign all pages of your application.
- **PAY PARTICULAR ATTENTION TO FILLING OUT PAGE THREE. ALL QUESTIONS MUST BE FILLED IN COMPLETELY.**
- You must list:
 - your MIIN number (obtain by calling MSHA at 1-800-579-2647)
 - the last four digits of your Social Security Number,
 - and either your Gas Detection or BMOCC number (which ever is applicable to you)
- Please include your email address (printed clearly) on the application.
- List your Pennsylvania certification numbers (if any) and the date they were obtained (Miner's, Machine Runner's, Shot-Firer and Prior Mine Officials Certification Obtained from the Commonwealth of Pennsylvania), and out of state certifications, if applicable.
- If you are using a college degree to add a year to your experience, you must include a photocopy of that degree with your application.
- Have Employer's Verification (page 4) and Applicant Verification (page 5) notarized. Please note: If your time that needs verified is with more than one employer, you should include a separate notarized sheet for each employer. Additional photocopies may be made, but all sent with your application must be notarized.
- **EXAMINATION FEE:** Mine Foreman/Assistant Foreman - \$100.00, Mine Examiner - \$100.00, Mine Electrician - \$100.00. **Non-refundable application fees MUST BE MAILED IN WITH APPLICATION and must be in the form of a money order or certified bank check to COMMONWEALTH OF PENNSYLVANIA. NO CASH OR PERSONAL CHECKS ACCEPTED.** Any application received without the \$100 fee will not be scheduled until it is received.
- Please be sure to print clearly or type your name as you would like it to appear on your certificate. Include your complete mailing address including zip code.
- It is the responsibility of the applicant to determine his/her qualifications. It is the company official's responsibility to verify that a notarized statement of work history is accurate. Application does not have to be notarized by a Pennsylvania notary, but **must be notarized.**

- Each applicant is responsible for providing accurate information regarding the length of service and type of work performed in the underground bituminous mines where the applicant has worked. This information must meet the minimum requirements for practical experience in underground bituminous coal mines set forth in Section 202 of the Safety Laws of Pennsylvania. A certificate of qualification issued to a person who, on the date of the examination, does not meet the qualifications for mine officials certification set forth in the Safety Laws of Pennsylvania, as summarized in the attached chart, is void. Any person who submits false information on the application or falsely swears to the accuracy of an affidavit may be subject to criminal penalties.
- Each applicant is also responsible for attaching one or more notarized statements from current and/or previous employers which support the applicant's description of the length of service and type of work performed in underground bituminous coal mines.
- Attached is a chart that sets forth in summary form the requirements for mine official certification.
- Officials who sign the mine officials' competency verification and the employers' verification of work experience are required to verify the applicant's work history before signing.
- If it is determined either before or after the applicant takes the examination that he or she failed to meet the qualification requirements for certification, the applicant will forfeit the examination fee.
- To apply, mail a completed application for mine official's certification along with examination fee to: **Bureau of Mine Safety, DEP New Stanton Office, 131 Broadview Road, New Stanton, PA 15672.** Please be sure to use correct postage in order to ensure receipt of your application.
