BUREAU OF MINE SAFETY

MEMO

TO Stacey Malarkey
Permit Reviewer
District Mining Operations

FROM Joseph A. Scaffoni 
Director
Bureau of Mine Safety

DATE September 26, 2014

RE CMAP# 30841317
Company Name: Consol Pennsylvania Coal Company, LLC
Operation Name: Enlow Fork Mine
Purpose: Revision to Add 33.5 Surface Acres to Construct a 2.8 mile overhead power line between 3 North 6 Shaft and the Lagonda Substation

Per your request, the Bureau of Mine safety has reviewed the above referenced permit revision for the application to add 34.4 Surface Acres to Construct a 2.8 mile overhead power line between 3 North 6 Shaft and the Lagonda Substation . The property is located in East Finley, South Franklin and Buffalo Townships, Washington County on the Wind Ridge, Claysville and Prosperity PA, U.S. Geological Survey 7.5 minute topographic maps.

The information is acceptable and the Bureau has no further comments at this time.
