BUREAU OF MINE SAFETY**

COAL MINE RESCUE TEAM AGREEMENT

This AGREEMENT entered into by and between the Commonwealth of Pennsylvania, Department of Environmental Protection, Bureau of Mine Safety (hereinafter "DEP or Department"), and _____ (hereinafter "OPERATOR"), on this _____ day of _____, consists of the following:

WHEREAS, DEP has experience in training members of mine rescue teams regarding the use of self-contained breathing apparatus, or the other provisions to self contained breathing apparatus, first-aid, and mine rescue techniques and principles;

WHEREAS, DEP employs mine rescue instructors who have been approved by the U. S. Department of Labor, Mine Safety and Health Administration (hereinafter "MSHA");

WHEREAS, the OPERATOR desires to provide the mine rescue teams required by 30 CFR Part 49 by participating in mine rescue teams serving more than one mine;

WHEREAS, the Department desires to facilitate the OPERATOR's participation in mine rescue teams serving more than one mine;

WHEREAS, the OPERATOR desires to have the Commonwealth train its employees in mine rescue techniques and principles;

NOW, THEREFORE, in mutual consideration of the promises contained herein, the parties hereto intending to be legally bound hereby contract and agree as follows:

I. A. Designation of employees to serve on mine rescue team.

For each mine covered by this agreement, the OPERATOR agrees to provide at least one employee for mines with 36 or fewer underground employees, and at least two employees for mines with 37 or more underground employees to serve on the mine rescue team.

DEP shall use it's discretion on administering composite/contract mine rescue team status based upon the needs of the mine rescue agreement to maintain compliance with the program.

Each employee designated by the OPERATOR shall be approved by DEP before the employee begins training.

The Operator shall give DEP a list of all mines to be covered by this agreement. This list shall identify the number of employees at each mine. The Operator shall, within 15 days, notify the Department of any change in the mines to be covered or the number of employees at a mine.

B. Qualifications for designation as a mine rescue team member.

In order to qualify for training in mine rescue and be a member of a mine rescue team, an individual must:

1. Mine rescue team members shall have a minimum of 3 years underground coal mine experience that shall have occurred within the 10-year period preceding their employment on the mine rescue team.

(a) Miners who are employed on the surface but work regularly underground at the mine shall meet the experience requirement.

2. Be able to meet any physical or experience requirements contained in 30 CFR Part 49 or otherwise established by MSHA.

3. Submit to DEP a copy of MSHA Form 5000-3 annual physician's examination and certification that the individual is "physically fit to perform mine rescue and recovery activities for prolonged periods under strenuous conditions".

The physical examination shall be completed within 60 days prior to commencement of training. If this agreement is extended for multiple years then for each designated employee a new annual physician certification must be submitted to the Department before the current certification lapses

C. Dismissal from mine rescue team.

Any non-compliance with the requirements will result in the designated employee being ineligible to be a mine rescue team member and may result in the loss of mine rescue coverage for the represented mine.

D. Attendance

The OPERATOR is responsible for seeing that designated employees attend all training sessions scheduled by DEP.

E. Replacement of dismissed individual.

In the event that an individual is dismissed or resigns from participation in the mine rescue team, the OPERATOR shall submit the name of another qualified individual for approval by DEP, prior to the next scheduled training session.

The OPERATOR may only send employees for training who are approved by DEP and who are designated to receive all the training scheduled by and provided by DEP during the period of the contract year remaining after the employee is approved.

Nothing in this AGREEMENT shall be construed to permit the OPERATOR to send a temporary substitute to one or more training sessions, in the place of an employee who is approved by DEP and who is designated permanently as a rescue team member (i.e., an employee who has not been dismissed from future training sessions, who does not wish to be dismissed from training or to resign from training, and who wishes to receive training again during the contract year.)

II. SITE

The OPERATOR agrees to permit DEP to conduct training at its covered underground mine for purposes of this AGREEMENT.

DEP will schedule monthly training sessions at sites to be designated by DEP. DEP will notify the OPERATOR or its liaison of the location prior to each training session.

In addition, training sessions, of which a portion of the training is to be conducted underground, will be conducted at each underground mine to be covered by the mine rescue team at least semi-annually.

III. TRAINING

Training will be provided by DEP staff persons who have been approved as mine rescue instructors by the MSHA, Office of Education and Training.

DEP will provide at least the following training:

A. Initial training.

Prior to serving on a mine rescue team, each member shall complete, at a minimum, an initial 20-hour course of instruction as prescribed by MSHA's Office of Educational Policy and Development, in the use, care, and maintenance of the type of breathing apparatus which will be used by the mine rescue team.

B. Annual training requirements

D. The mine rescue team member’s employer shall be responsible for any claims against the mine rescue team member which may result from such mine rescue work.

E. The OPERATOR who may suffer an emergency, as a condition of its entitlement to the services of a mine rescue team member, whose employer has entered into a Mine Rescue Team Training Agreement with the DEP, agrees to:

1. Reimburse operators providing the other rescue team members of the wages of team members and all costs related to the services of the team covered by the other operators, including but not limited to transportation costs, and out-of pocket expenses while en-route to or from, or at the emergency site.

The OPERATOR shall maintain such insurances as will protect it from claims of Workmen's Compensation Acts, Occupational Diseases Acts, and from any such other claims for property damage, bodily injury or death which may arise from activities under this AGREEMENT; the DEP shall not be liable for any such claims. Certificates of such insurances shall be filed with the DEP before training begins

- 3) **“Contractor”** means the individual or entity, that has entered into this contract with the Commonwealth.

- 4) Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor’s financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor’s submission of the contract signed by Contractor.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract if becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

- 6) Contractor shall comply with the requirements of the *Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.)* regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the *Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a)*.
- 7) When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor's Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.

Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

- 9) Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.
- 10) For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

2. CONTRACTOR RESPONSIBILITY PROVISIONS

For the purpose of these provisions, the term contractor is defined as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee or lessor, who has furnished or performed or seeks to furnish or perform, goods, supplies, services, leased space, construction or other activity, under a contract, grant, lease, purchase order or reimbursement agreement with the Commonwealth of Pennsylvania (Commonwealth). The term contractor includes a permittee, licensee, or any agency, political subdivision, instrumentality, public authority, or other public entity in the Commonwealth.

- a. The Contractor certifies, in writing, for itself and its subcontractors required to be disclosed or approved by the Commonwealth, that as of the date of its execution of this Bid/Contract, that neither the Contractor, nor any such subcontractors, are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid/Contract, a written explanation of why such certification cannot be made.

- b. The Contractor also certifies, in writing, that as of the date of its execution of this Bid/Contract it has no tax liabilities or other Commonwealth obligations, or has filed a timely administrative or judicial appeal if such liabilities or obligations exist, or is subject to a duly approved deferred payment plan if such liabilities exist.
- c. The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the Contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or, to the best knowledge of the Contractor, any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.
- d. The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
- e. The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- f. The Contractor may search the current list of suspended and debarred Commonwealth contractors by visiting the eMarketplace website at <http://www.emarketplace.state.pa.us> and clicking the Debarment List tab.

3. PROVISIONS CONCERNING THE AMERICANS WITH DISABILITIES ACT

For the purpose of these provisions, the term contractor is defined as any person, including, but not limited to, a bidder, offeror, supplier, or grantee, who will furnish or perform or seeks to furnish or perform, goods, supplies, services, construction or other activity, under a purchase order, contract, or grant the Commonwealth of Pennsylvania (Commonwealth).

During the term of this contract, the Contractor agrees as follows:

- a. Pursuant to federal regulations promulgated under the authority of the *Americans with Disabilities Act*, 28 C.F.R. § 35.101 et seq., the Contractor understands and

agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in this contract or from activities provided for under this contract. As a condition of accepting and executing this contract, the Contractor agrees to comply with the “*General Prohibitions Against Discrimination*,” 28 C.F.R. § 35.130, and all other regulations promulgated under Title II of the *Americans with Disabilities Act* which are applicable to the benefits, services, programs, and activities provided by the Commonwealth through contracts with outside contractors.

- b. The Contractor shall be responsible for and agrees to indemnify and hold harmless the Commonwealth from all losses, damages, expenses, claims, demands, suits, and actions brought by any party against the Commonwealth as a result of the Contractor’s failure to comply with the provisions of subparagraph a above.

4. COMMONWEALTH HELD HARMLESS CLAUSE

- a. The Contractor/Grantee shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all third party claims, demands and actions based upon or arising out of any activities performed by the Contractor/Grantee and its employees and agents under this Contract/Grant Agreement, provided the Commonwealth gives Contractor/Grantee prompt notice of any such claim of which it learns. Pursuant to the Commonwealth Attorneys Act (71 P.S. Section 732-101, et seq.), the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG may, however, in its sole discretion and under such terms as it deems appropriate, delegate its right of defense. If OAG delegates the defense to the Contractor/Grantee, the Commonwealth will cooperate with all reasonable requests of Contractor/Grantee made in the defense of such suits.
- b. Notwithstanding the above, neither party shall enter into any settlement without the other party's written consent, which shall not be unreasonably withheld. The Commonwealth may, in its sole discretion, allow the Contractor/Grantee to control the defense and any related settlement negotiations.

5. RIGHT TO KNOW LAW

For the purpose of these Right to Know Law provisions, the term Contractor is defined to include GRANTEE, SUBGRANTEE and/or LESSOR and the term Contract is defined to include GRANT AGREEMENT and/or LEASE AGREEMENT.

- a. The Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, (“RTKL”) applies to this Contract. For the purpose of these provisions, the term “the Commonwealth” shall refer to the contracting Commonwealth agency.

- b. If the Commonwealth needs the Contractor's assistance in any matter arising out of the RTKL related to this Contract, it shall notify the Contractor using the legal contact information provided in this Contract. The Contractor, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the Commonwealth.
- c. Upon written notification from the Commonwealth that it requires the Contractor's assistance in responding to a request under the RTKL for information related to this Contract that may be in the Contractor's possession, constituting, or alleged to constitute, a public record in accordance with the RTKL ("Requested Information"), the Contractor shall:
 - 1) Provide the Commonwealth, within ten (10) calendar days after receipt of written notification, access to, and copies of, any document or information in the Contractor's possession arising out of this Contract that the Commonwealth reasonably believes is Requested Information and may be a public record under the RTKL; and
 - 2) Provide such other assistance as the Commonwealth may reasonably request, in order to comply with the RTKL with respect to this Contract.
- d. If the Contractor considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that the Contractor considers exempt from production under the RTKL, the Contractor must notify the Commonwealth and provide, within seven (7) calendar days of receiving the written notification, a written statement signed by a representative of the Contractor explaining why the requested material is exempt from public disclosure under the RTKL.
- e. The Commonwealth will rely upon the written statement from the Contractor in denying a RTKL request for the Requested Information unless the Commonwealth determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the Commonwealth determine that the Requested Information is clearly not exempt from disclosure, the Contractor shall provide the Requested Information within five (5) business days of receipt of written notification of the Commonwealth's determination.
- f. If the Contractor fails to provide the Requested Information within the time period required by these provisions, the Contractor shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor's failure, including any statutory damages assessed against the Commonwealth.
- g. The Commonwealth will reimburse the Contractor for any costs associated with complying with these provisions only to the extent allowed under the fee schedule

established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.

- h. The Contractor may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, the Contractor shall indemnify the Commonwealth for any legal expenses incurred by the Commonwealth as a result of such a challenge and shall hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor's failure, including any statutory damages assessed against the Commonwealth, regardless of the outcome of such legal challenge. As between the parties, the Contractor agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.
- i. The Contractor's duties relating to the RTKL are continuing duties that survive the expiration of this Contract and shall continue as long as the Contractor has Requested Information in its possession.

6. OFFSET PROVISION

The Contractor/Grantee agrees that the Commonwealth of Pennsylvania (Commonwealth) may set off the amount of any state tax liability or other obligation of the Contractor/Grantee or its subsidiaries to the Commonwealth against any payments/funds due the Contractor/Grantee under any contract or under any grant agreement with the Commonwealth.

7. APPLICABLE LAW

This Contract/Grant Agreement shall be governed by and interpreted and enforced in accordance with the laws of the Commonwealth of Pennsylvania (without regard to any conflict of laws provisions) and the decisions of the Pennsylvania courts. The Contractor/Grantee consents to the jurisdiction of any court of the Commonwealth of Pennsylvania and any federal courts in Pennsylvania, waiving any claim or defense that such forum is not convenient or proper. All applicable Federal statutes and provisions of the Code of Federal Regulations (CFR) in effect on the date of execution of this Agreement are an integral part of this Agreement, including 2 CFR PART 200, UNIFORM ADMINISTRATIVE REQUIREMENTS, COST PRINCIPLES, AND AUDIT REQUIREMENTS, AS ADOPTED PURSUANT TO 2 CFR §1327.101, AS APPLICABLE.

If this Agreement is funded in whole or in part by a grant from the United States Environmental Protection Agency (EPA), all applicable provisions of 40 CFR Parts 31 and 35 (Subpart O), in effect on the date of the Assistance Award for this project, are an integral part of this Agreement, as applicable. Further, Contractor shall comply with the provisions pertaining to conflict of interest as required by 2 CFR §200.112. EPA has established a policy regarding conflicts of interest for applicants and recipients of Federal financial assistance awards from EPA. The policy can be found at:

http://www.epa.gov/ogd/epa_interim_financial_assistance_coi_policy.htm

Contractors should review this policy and its requirements which include certain disclosure requirements. Contractors must complete the applicable disclosure requirements.

4. Rights to Inventions Made Under a Contract or Agreement – Contracts or agreements for the performance of experimental, developmental, or research work shall provide for the rights of the Federal Government and the recipient in any resulting invention in accordance with 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the Federal Grantor Agency. Further this Agreement is subject to Federal Grantor Agency requirements and regulations pertaining to reporting and patent rights if the Agreement involves research, developmental, experimental or demonstration work with respect to any discovery or invention

which arises or is developed in the course of or under this Agreement, as well as Federal Grantor Agency requirements and regulations pertaining to copyrights and rights in data.

5. Equal Employment Opportunity – Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”

In addition to the requirements of Subpart F, commonwealth agencies may require that the single audit reporting packages include additional components in the SEFA, or supplemental schedules, as identified through the respective grant agreement.

Audit documentation and audit reports must be retained by the Contractor's auditor for a minimum of five years from the date of issuance of the audit report, unless Contractor's auditor is notified in writing by the Commonwealth, the

cognizant federal agency for audit, or the oversight federal agency for audit to extend the retention period. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than ½ times the basic rate of pay for all hours worked in excess of 40 hours in the work week. Section 107 of the Act is applicable to construction work and provides that no laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
