NOW THEREFORE, in consideration of the foregoing and of the mutual promises and undertakings of the parties as set forth herein, and with the intention of being legally bound hereby, the parties agree as follows:

ARTICLE ONE

§1.3 “Participant” means an individual, organization, or corporation that has elected to participate in the Trust pursuant to a Participation Agreement entered into between the Participant and the Foundation, for purposes of providing funds and/or other assets to assure that funds will be available in the future for the operation of certain treatment systems, for the public purpose of prevention or abatement of pollution, and for the protection of natural resources, the environment, and the health and welfare of the public.

§1.4 “Treatment Systems” means those certain discharges and treatment systems and activities which are established for the sound future treatment of water discharges

emanating from the Ferlitch Construction Company, Inc. mine site covered by Pennsylvania DEP Surface Mining Permit No. 31070101 in Wood Township, Huntingdon County, and for the public purpose of protecting the environment, and for the health and welfare of the public.

§1.5 “Trustee” means the Foundation acting as trustee under the terms and provisions of the Declaration of Trust and a Participation Agreement entered into with a Participant.

ARTICLE TWO

PARTICIPATION IN THE TRUST

§2.1 The Participant agrees to provide certain funds and/or other assets to be held by the Trustee for purposes of assuring that funds are available in the future for the reclamation and treatment of water discharges from the Ferlitch mine site, for the prevention of pollution, and for the protection of natural resources in the Commonwealth of Pennsylvania as determined by the Department.

§2.2 The Trustee agrees to establish within the Trust Fund a Sub-Account designated as “Ferlitch Trust Sub-Account” (“Sub-Account” or “Ferlitch Trust”).

§2.3 The Agent agrees to transfer to the Trust all of the funds paid to Agent to fund the Sub-Account, projected to be in the initial amount of \$55,000.

§2.4 Any payments made by the Participant or on its behalf to the Trustee for deposit into the Trust shall consist of cash, bank checks, bank wire transfers, negotiable instruments, or other property acceptable to the Trustee. The Trustee shall have no responsibility for the amount or adequacy of such payment, but the Trustee shall notify the Department in writing of any deficiencies in the payments agreed to be made by the Participant whenever the Trustee has knowledge of such deficiencies.

ARTICLE THREE

ADMINISTRATION

§3.1 The principal of the Sub-Account shall consist of:

- (a) The payments or transfers to the Trustee made by the Participant pursuant to this Agreement for said Sub-Account.
- (b) Such payments from time to time and at any time to the Trustee as such may be directed by the Department pursuant to any agreement between the Department and the Participant.
- (c) Cash, funds or property transferred from any person to the Trustee and accepted by the Trustee for said Sub-Account.
- (d) Any proceeds from surety bonds which are transferred to the Trustee for said Sub-Account.
- (e) All investments, reinvestments, assets or proceeds attributable to or derived from the foregoing items in this §3.1.
- (f) All earnings, accretions and profits received with respect to the foregoing items in this §3.1.

§3.2 The Trustee shall hold and administer the funds of the Sub-Account in accordance with the terms and conditions of the Declaration of Trust and this Participation Agreement.

§3.3 The Trustee shall distribute such amounts from the Sub-Account as the Department shall direct to pay for the operation of the Treatment System or Treatment Systems. This amount shall be paid to a third party administrator to the Trust, who shall be responsible for paying the costs of operating the Treatment System in accordance with any

instructions that may be issued by the Department in relation thereto.

§3.4 The Participant understands that the Trust is intended to be categorized, for federal and state income tax purposes, as a charitable trust in accordance with and under the provisions of Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, and any implementing regulation cited therein or any corresponding successor provision.

§3.5 The Participant hereby adopts the Declaration of Trust as the document which governs the administration of this Participation Agreement and the Sub-Account and directs the Trustee to hold and administer the Sub-Account in accordance with the terms and conditions of the Declaration of Trust. The Participant acknowledges that the Commonwealth of Pennsylvania acting through the Department is the legal beneficiary of the Trust and has all rights of a beneficiary under the law, as well as the rights granted under the Declaration of Trust. The Department shall have access to the Trust as provided therein.

§3.6 The funds in the Sub-Account and any other property held by the Trustee pursuant to this Participation Agreement shall not be subject to assignment, alienation, pledge, attachment, garnishment, sequestration, levy or other legal process, either voluntary, involuntary or by operation of law, by, on behalf of, or in respect of the Participant and shall not be subject or applied to the debts, obligations or liabilities of the Participant, including, without limitation, any direct action or seizure by any creditor or claimant under any writ or proceeding at law or in equity. Furthermore, the Participant shall have no legal title to any part of the Trust Fund, and it is the intention of the parties to this Participation Agreement that the Participant's entry into the Trust shall extinguish and remove all of Participant's interest in the Trust from Participant's estate under the Bankruptcy Code or similar laws.

§3.7 Except as otherwise provided in the Declaration of Trust or this Participation

Agreement, all payments made to the Trustee or deposits into the Trust by the Participant shall be irrevocable once made, and upon delivery thereof by the Participant, all interest of the Participant therein shall cease and terminate, and no part thereof, nor any income therefrom, shall be used for or devoted to purposes other than for the exclusive benefit of the Department and the Trust as provided herein.

§3.8 Any payments made by the Participant or on its behalf to the Trustee for deposit into the Trust shall consist of cash, bank checks, bank wire transfers or other negotiable instruments acceptable to the Trustee. The Trustee shall have no responsibility for the amount or adequacy of such payment, but the Trustee shall notify the Department of any deficiencies in the payments agreed to be made by the Participant whenever the Trustee has knowledge of such deficiencies.

§3.9 The Trustee shall at least quarterly furnish the Beneficiary a statement providing an accounting of all transactions involving the Sub-Account and confirming the value of the Sub-Account. Such statement shall value Trust investments at market value which shall be that market value determined not more than thirty (30) days prior to the date of the statement.

§3.10 The Trustee shall be responsible for the keeping of all appropriate books and records relating to the receipt and disbursement of all moneys and assets under this Agreement. The Trustee shall also cause to be prepared all income tax or information returns required to be filed with respect to the Trust and shall execute and file such returns. The Participant, upon request, shall furnish the Trustee with such information as may be reasonably required in connection with the preparation of such income tax or information returns.

§3.11 Upon the completion of the Participant's obligations as Agent for the Ferlitch Trust, all rights, titles and interest in the Sub-Account shall vest in the Department; provided, however, that the Trust as to the Sub-Account shall continue until the Trustee is directed to terminate the Trust as to the Sub-Account. If the Department determines to terminate the Trust as to the Sub-Account, the Trustee shall pay over to the Department any remaining funds in the Sub-Account, less final administration expenses of the Trustee. Upon payment of such funds to the Department, the Trustee shall not be subject to any action by the Participant or the Department with regard to any claim or matter arising from the administration of the Trust as to the Sub-Account.

ARTICLE FOUR

AMENDMENTS

§4.1 This Participation Agreement may be amended by an instrument in writing, executed by the Participant and the Trustee, with the consent and acknowledgment of the Department, or by the Trustee and the Department in the event Participant ceases to exist or defaults, but during the existence of the Participant any amendment under this paragraph cannot in any manner affect the irrevocable nature of the Trust.
