## LANDOWNER CONSENT OF RESPONSIBILITY FOR WELL SITE RESTORATION INSTRUCTIONS (Unconventional Operations Only)

The following instructions are designed to assist the applicant in properly completing the *Landowner Consent Of Responsibility For Well Site Restoration*, form 8000-FM-OOXXXXU. Please type or print clearly when completing the form. Pursuant to 25 Pa. Code Section 78a.65(g), written consent of the landowner satisfies the restoration requirements provided the operator develops and implements a site restoration plan that complies with paragraph (a) and (b)(2)-(7) and all post construction stormwater management (PCSM) requirements in 25 Pa. Code Chapter 102. Landowners can use this form to make a request to the Department of Environmental Protection (DEP) to waive the requirement to restore a well site to approximate original conditions. Please note that the landowner may be held liable for conditions on the landowner’s property.

**A. Operator Information**

Enter the information as required: well operator name, address, telephone number, fax number, email, and DEP ID or OGO number. Enter the well pad name and number along with the US well number or API number of the last well plugged.

**B. Landowner Information**

Enter the information as required: name, address, tax parcel ID, telephone number, and email.

**C. Landowner Consent**

Provide the signature, printed name, and date of the landowner requesting the restoration requirements to be waived.

**D. Notarization**

The signature must be notarized and all required notary information provided in the space provided. Proof of notary to be completed where indicated when signed by landowner.
