

Dept of Environmental Protection Bureau of Oil and Gas Management Industry Wetland Training

DEP Bureau of Oil and Gas Management will be conducting wetland training for the oil and gas industry at several locations in April, 2010. This training is an introductory wetland course and will consist of half a day of classroom training followed by a field exercise at a nearby wetland. Maximum class size will be 100 industry people. Pre-registration is required at least 7 days prior to the training date. To pre-register, please contact Jennifer Ohashi at 717-772-2199 or email at johashi@state.pa.us with names of attendees and contact information.

Dates and locations for the training are as follows:

APRIL 14th CANCELLED – Class registrations did not meet the anticipated attendance requirements. If you were registered for the April 14 workshop, your registration for the April 21st or the April 28th workshop will be accepted.
