2012 DEP Industry Workshop

2012 DEP Workshop

- PIOGA's & the MSC's Environmental Committees are proud to co-sponsor the 2012 DEP Industry Workshop Program.
- PIOGA & the MSC are committed to representing the interests of oil and gas producers and service companies as we collaborate with DEP to protect and develop Pennsylvania's natural resources.

- The Committees are actively involved with current issues:
 - Erosion and Sedimentation
 - Air Quality and Emissions
 - Water Management
 - Waste Management
 - Well Construction
 - Local Regulations, Municipalities and Townships

- “On behalf of the Committee’s, PIOGA’s & MSC’s general membership we welcome you to today’s session. Enjoy the lunch provided.”
- “We appreciate your attendance and the efforts of the DEP staff to present an informative and useful program.”

PIOGA Environmental Committee:

Paul Hart and Ken Fleeman, Co-Chairs

MSC Representative:

Andrew Paterson, Vice President-Technical & Regulatory Affairs
