

*Atlantic Sunrise Project – PA DEP Chapter 105 Joint Permit Application
Transcontinental Gas Pipe Line Company, LLC
Lancaster County*

ATTACHMENT N -1
STORMWATER ANALYSIS AND CONSISTENCY

*Atlantic Sunrise Project – PA DEP Chapter 105 Joint Permit Application
Transcontinental Gas Pipeline Company, LLC
Lancaster County*

Attachment N herein provides copies of the letters and consistency requests which have been sent to each County and Municipality. Concurrence letters from the County / Municipality, if received at the time of the application submittal, have been included in this section. Additional concurrence letters will be provided upon receipt; however, because this Project is subject to the jurisdiction of the Federal Energy Regulatory Commission (FERC) under the Natural Gas Act, FERC has exclusive jurisdiction over siting. Therefore, local zoning is preempted.

Conestoga Township Supervisors
P.O. Box 98, 3959 Main Street
Conestoga Township, PA 17516

Re: Atlantic Sunrise Project
PADEP Application No. E36-947
Conestoga Township, Lancaster County
Stormwater Management Consistency

Dear Conestoga Township Supervisors:

On behalf of the Transcontinental Gas Pipeline Company, LLC, a subsidiary of Williams Partners L.P. (Williams) TRC Solutions and BL Companies, Inc. (BL) are providing one copy each of the Erosion and Sediment Control (E&SC) plans, Post Construction Stormwater Management (PCSM) plans, and related narratives for Williams' Atlantic Sunrise Project (Project) facilities that are located within Conestoga Township, Lancaster County. These plans and narratives were submitted to the Pennsylvania Department of Environmental Protection (PADEP) and Lancaster County Conservation District on August 28, 2015 as part of Williams' Erosion and Sediment Control General Permit 2 and Chapter 105 Water Obstruction and Encroachment packages for the proposed Project.

A stormwater management consistency letter from Conestoga Township commenting on the stormwater management analysis is required as part of the Chapter 105 application package; therefore, we respectfully request that Conestoga Township review the attached plans and narratives and provide a response within 30 days of the receipt of this letter indicating consistency with respect to the Township's stormwater management ordinances. Should you have any questions or comments, please contact me at (412) 713-7117 or screscenzo@trcsolutions.com or Al Busher of BL at (717) 651-9850 or abusher@blcompanies.com.

Sincerely,

Steve Crescenzo
Senior Environmental Scientist

Re: Atlantic Sunrise Project
PADEP Application No. E36-947
Drumore Township, Lancaster County
Pennsylvania Acts 14, 67, 68, 127, and 167 Notification Response
and Stormwater Management Consistency

Dear Drumore Township Supervisors:

On behalf of the Transcontinental Gas Pipeline Company, LLC, a subsidiary of Williams Partners L.P. (Williams) TRC Solutions and BL Companies, Inc. (BL) are providing one (1) copy each of the Erosion and Sediment Control plans, Post Construction Stormwater Management plans, and related narratives, as well as the Post Construction Stormwater Management plans and narratives for Williams' Atlantic Sunrise Project (Project) facilities that would be located within Drumore Township, Lancaster County. These plans and narratives were submitted to the Pennsylvania Department of Environmental Protection (PADEP) and Lancaster County Conservation District on August 28, 2015 as part of Williams' application for coverage under PADEP's Erosion and Sediment Control General Permit 2 for the proposed Project.

This additional information is provided as per your request for more information within the Acts 14, 67, 68, 127, and 167 notification response, dated July 15, 2015 (**Attachment A**). For online access to the March 31, 2015 Federal Energy Regulatory Commission (FERC) filing for the Project, please utilize FERC's search engine (http://elibrary.ferc.gov/idmws/docket_search.asp) and conduct a search for FERC Docket Number CP15-138.

We respectfully request that Drumore Township review the attached plans and narratives and provide a letter indicating consistency with respect to the Township's stormwater management ordinances. Should you have any questions or comments, please contact me at (412) 713-7117 or screscenzo@trcsolutions.com or Al Busher of BL at (717) 651-9850 or abusher@blcompanies.com.

Re: Atlantic Sunrise Project
Acts 14, 67, 68, 127 and 167 Notifications

Dear Mr. Crescenzo:

I have reviewed the information that you have provided regarding the Atlantic Sunrise Project and offer the following comments:

Zoning and Land Use Consistency

1. Pipelines are not a permitted use within the Floodplain Zone. It appears from the schematic submitted, there are crossings of floodplain areas. Under the terms of the Drumore Township Zoning Ordinance a zoning variance is required for this land use.
2. The plans are not of sufficient detail to determine compliance with the Drumore Township Zoning Ordinance including but not limited to Article 3, Natural Resources Protection.
3. The applicant shall be required to obtain highway occupancy permits and driveway permits for any utilities placed within the road right of way as well as driveway permits for any new access points.
4. Page 3 of 8 (Project Description) states that local zoning is preempted. The Township's position is that certain aspects of local zoning are not preempted and therefore compliance is required.

Stormwater Management Consistency

1. Additional information is required prior to a determination of stormwater consistency. While the project may propose minimal additional impervious area, the amount of earth disturbance within a high quality and exceptional value water will have significant impacts. The Drumore Township Stormwater Ordinance states " The purpose of this ordinance is to promote health, safety, and welfare by minimizing the harms and maximizing the benefits described in Section 102 through provisions designed to help preserve and protect exceptional natural resources, and conserve and restore natural resource systems."

103 Fite Way Suite C Quarryville, PA 17566
Phone: 717-786-0355 Fax: 717-786-8030
Email: mark@solancoengineering.com

2. Based on the definition of regulated activity, a stormwater permit is required for the earth disturbance activities within Drumore Township.

General Comments

1. The cover letter states Drumore Township, Clinton County. This discrepancy shall be resolved.

2. The Township desires maps of legible scale, at least 1" = 100', in all future correspondence. The scale of the maps provided serve no beneficial purpose.

3. The Williams Pipeline Atlantic Sunrise website graphically shows (symbol in legend) a new compressor station at the intersection of the existing Transco Pipeline and the proposed Atlantic Sunrise project. Although, information depicted elsewhere calls out River Road Regulator Station, as previously understood by Drumore Township. If this is a proposed compressor station, please note that Drumore Township Zoning Ordinance , as amended regulates the installation of Compressor Stations as permitted by State Law.

Please feel free to contact me if you have any questions regarding this correspondence.

Sincerely,

Re: Proposed Contractor yard within Eden Township

Dear Mr. Crescenzo:

We have received your letter concerning a proposed contractor yard within Eden Township.

We cannot sign any Township approval letter without further information. That information should include:

- 1 – a plan showing what you intend to do on the property, including lot coverage, type of materials, setbacks, storage material type
- 2 – an E&S plan for the property
- 3 – storm water plan showing how the water will be handled, with no effect on the adjoining property owners
- 4 – how the yard will be accessed include E&S and storm water for the driveway also

If you have any questions regarding this matter feel free to contact me.

Sincerely,

Geraldine A Parker

Pittsburgh, PA 15222

From: Falls Township, Wyoming County

Re: Transcontinental Gas Pipeline Company, LLC
Atlantic Sunrise Pipeline
Falls Township, Wyoming County

The municipality of Falls Township states that it:

- has adopted a municipal or multi-municipal comprehensive plan.
If yes, please provide date of adoption: 7/14/03 ZONING & S.A.L.D.O
Saldo was adopted on 06/29/04
- has not adopted a municipal or multi-municipal comprehensive plan.

The ^{municipality of Falls Township} ~~County of Wyoming~~ states that it:

- has adopted a county zoning ordinance, or a municipal or joint-municipal zoning ordinance.
- has not adopted a county zoning ordinance, or a municipal or joint-municipal zoning ordinance.

If applicable:

The municipality of Falls Township states that its zoning ordinance is generally consistent with its municipal comprehensive plan and the county comprehensive plan.

The above referenced proposed project

- meets the provisions of the local zoning ordinance

If zoning approval is required for the project to proceed, the above referenced project:

- has received zoning approval.
- has not received zoning approval.

If the proposed project has not received zoning approval:

What is the status of the zoning request for the proposed project? (e.g., Special Exception Approval from the Zoning Hearing Board required, Conditional Use approval from the Governing Body required)

Is there a legal challenge by the applicant with regard to zoning for the proposed project?

Name and Contact Information for Municipal Zoning Officer:

Richard Dixon - 570 388-0703 ext 3
(c) 570 574-8114

Additional Comments (attach additional sheets if necessary):

Submitted By:

Name:	Richard Dixon
Title:	Falls Township Zoning Officer
Address:	220 Buttermilk Road Falls Pa. 18615
Phone Number:	(570) 388-6030
Email:	Falls zoning @ epix .net
Signature:	Richard Dixon
Date:	7/27/05

ADDITIONAL COMMENTS

I am unsure as to the status of the zoning request for the proposed project and unable to answer if the proposed project meets the provisions of the local zoning and S.A.L.D.O. Pages from the notice of intent (NOI) refer back to table 1.2.10, which is not included. Falls Township has a floodplain ordinance and any proposed new or expanded nonresidential uses would need to meet Section 701 (Performance Standards). Please contact Falls Township to address plans for metering stations, contractor yards, staging areas etc. Any new driveway or roadways either temporally or permanently constructed would need Township permitting. Concerns have been raised as to how pipeline setbacks and right of ways are being acquired and recorded. Please let us know how these concerns are, or will be addressed.

Re: Transcontinental Gas Pipeline Company, LLC
Atlantic Sunrise Pipeline
Martic Township, Lancaster County

The municipality of Martic Township, Lancaster County states that it has adopted a multi-municipal comprehensive plan on January 1991.

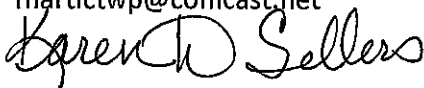

The municipality of Martic Township, Lancaster County states that it has adopted a municipal zoning ordinance, last amended on November 4, 2002.

The municipality of Martic Township, Lancaster County states that its zoning ordinance is generally consistent with its municipal comprehensive plan and the county comprehensive plan.

The applicant has not provided the Township with sufficient information concerning the precise facilities to be installed within the Township and the location of such facilities to enable the Township to determine the zoning district, property boundaries, and other matters. The applicant has stated its position that "local zoning is preempted" on page 3 of 8 of Attachment A to the material provided to the Township. The Township has been provided with insufficient information to determine whether the project meets the requirements of the Zoning Ordinance or any Township Ordinance. The Township has not been provided with any FERC determination.

Re: Atlantic Sunrise Project
PADEP Application No. E36-947
Mount Joy Borough, Lancaster County
Pennsylvania Acts 14, 67, 68, 127, and 167 Notification Response
and Stormwater Management Consistency

Dear Mount Joy Borough Supervisors:

On behalf of the Transcontinental Gas Pipeline Company, LLC, a subsidiary of Williams Partners L.P. (Williams) TRC Solutions and BL Companies, Inc. (BL) are providing one copy each of the Erosion and Sediment Control (E&SC) plans, Post Construction Stormwater Management (PCSM) plans, and related narratives for Williams' Atlantic Sunrise Project (Project) facilities that would be located within Mount Joy Borough, Lancaster County. These plans and narratives were submitted to the Pennsylvania Department of Environmental Protection (PADEP) and Lancaster County Conservation District on August 28, 2015 as part of Williams' Erosion and Sediment Control General Permit 2 and Chapter 105 Water Obstruction and Encroachment packages for the proposed Project.

This additional information is provided as per your request for more information within the Acts 14, 67, 68, 127, and 167 notification response, dated July 9, 2015 (**Attachment A**). For online access to the March 31, 2015 Federal Energy Regulatory Commission (FERC) filing for the Project, please utilize FERC's search engine (http://elibrary.ferc.gov/idmws/docket_search.asp) and conduct a search for FERC Docket Number CP15-138.

A stormwater management consistency letter from Mount Joy Borough commenting on the stormwater management analysis is required as part of the Chapter 105 application package; therefore, we respectfully request that Mount Joy Borough review the attached plans and narratives and provide a response within 30 days of the receipt of this letter indicating consistency with respect to the Borough's stormwater management ordinances. Should you have any questions or comments, please contact me at (412) 713-7117 or screscenzo@trcsolutions.com or Al Busher of BL at (717) 651-9850 or abusher@blcompanies.com.

Sincerely,

Steve Crescenzo
Senior Environmental Scientist

Re: Atlantic Sunrise Pipeline Stormwater Management Plan
LCEC Project No: 25-3

Dear Mr. Kraus,

We have received a stormwater management plan submission from TRC Solutions for the above-referenced project with respect to the Township's Stormwater Management Ordinance. The submission consisted of the following documents:

- Submission cover letter dated October 29, 2015
- Transcontinental Gas Pipeline Company LLC Erosion & Sediment Control and Layout Plans for Access Roads, Atlantic Sunrise Project, Proposed 42" Central Penn Line South last revised August 28, 2015 (75 sheets)
- Transcontinental Gas Pipeline Company LLC, Atlantic Sunrise Project Proposed, 42" Central Penn Line South Best Management Practices and Quantities Plan Set last revised August 28, 2015 (20 sheets)
- Transcontinental Gas Pipeline Company LLC Erosion & Sediment Control and Layout Plan, Atlantic Sunrise Project, Proposed 42" Central Penn Line South last revised August 28, 2015 (57 sheets)
- Erosion and Sediment Control Plan and PCSM/SR Plan Narrative for Temporary and Permanent Access Roads dated August 2015
- Erosion and Sediment Control Plan Narrative for Atlantic Sunrise Project dated August 2015

Based upon my review of the submitted information, I offer the following comments for the Township to consider:

Stormwater Management Ordinance

1. Since this project involves a regulated activity that will disturb more than 5,000 square feet, a Stormwater Management Site Plan shall be prepared in accordance with the standards of Article III of the Stormwater Management Ordinance (113-31 through 113-39).
2. The Stormwater Management Site Plan shall include the information required by Article IV of the Ordinance (113-41 through 113-45.)
3. The applicant shall provide a SWM Site Plan submission in accordance with the procedures specified by Article V of the Ordinance (113-51 through 113-60). The submission shall include but not be limited to a SWM Site Plan Application, a filing fee and financial security.

4. An Operation and Maintenance Plan shall be submitted in accordance with the requirements of Article VI of the Ordinance (113-61 through 113-65).
5. The applicant shall pay for the fees and expenses incurred by the Township in accordance with Article VII (113-71 through 113-72.)

Sincerely,

A handwritten signature in blue ink that reads "Benjamin S Craddock". The signature is written in a cursive style.

WEST HEMPFIELD TOWNSHIP MUNICIPAL NOTIFICATION RESPONSE
JULY 29, 2015

July 29, 2015

Mr. Steven R. Crescenzo
TRC Solutions
2200 Liberty Avenue, Suite 100
Pittsburgh, PA 15222

Dear Mr. Crescenzo:

This letter shall serve as our response to the submission we received dated July 2, 2015 regarding the Atlantic Sunrise Project proposed to be constructed in West Hempfield Township, Lancaster County, Pennsylvania.

The municipality of West Hempfield Township, Lancaster County states that it has adopted a multiple municipal comprehensive plan. Date of adoption was April 3, 2007.

The municipality of West Hempfield Township, Lancaster County states that it has adopted a municipal zoning ordinance, last amended on December 2, 2014.

The municipality of West Hempfield Township, Lancaster County states that its zoning ordinance is generally consistent with its municipal comprehensive plan and the Lancaster County comprehensive plan.

The applicant has not provided the Township with sufficient information concerning the precise facilities to be installed within West Hempfield Township and the location of such facilities to enable the Township to determine the zoning district, property boundaries, and other matters. The applicant has stated its position that "local zoning is preempted" on page 3 of 8 of Attachment A to the material provided to us. The Township has been provided with insufficient information to determine whether the project meets the requirements of the Zoning Ordinance or any Township Ordinance. The Township has not been provided with any FERC determination.

Any additional zoning or land use questions or comments should be directed to the Townships' Zoning Officer:

Jodi L. Heffner
Zoning Officer
3401 Marietta Avenue
Lancaster, Pennsylvania 17601
jheffner@westhempfield.org

Sincerely,

A handwritten signature in black ink, appearing to read "Ron L. Youtz", with a long horizontal flourish extending to the right.

Ron L. Youtz
Township Manager
