Re: Completeness Notification Letter – Erosion and Sedimentation Control Permit
2021 FM120 Insertion Project
DEP Application No. ESG830021001-00
APS No. 1030859; AUTH ID No. 1340381
Cameron, Elk, & McKean Counties

Dear Mr. Young:

The Department of Environmental Protection (DEP) and the Cameron, Elk, and McKean County Conservation Districts have reviewed the above referenced application for completeness. The completeness review is the first step in a series of reviews conducted by DEP.

DEP and the Districts have determined that the application package contains sufficient detail to enable DEP and the Districts to conduct the technical review and has been accepted for that purpose.

This is not a final action by DEP on this application. The completeness review is the first in a series of reviews conducted by DEP. The application will now move to the technical review stage of the permit review process. During the technical review, the adequacy of the application and its components will be evaluated to determine if enough information exists to render a decision on the technical merits of the application.

I hope you find this information helpful in understanding the permit review process. If you have additional questions about your application, please contact Nick Rossi at 717.772.5667 or nicrossi@pa.gov and refer to the Application No. ESG830021001-00.

Sincerely,
