DEP Application No. WQ0083221-001

Dear Mr. Young:

The Department of Environmental Protection (DEP) has reviewed the above referenced application package and has identified the following technical deficiencies:

1. In attachment 3 of the 401 SWQC application (Environmental Permits, Approvals, and Consultants Table), it appears that coordination was made with SHPO. Anticipated approval dates were provided, but there appears to be missing information from the agencies stating decisions of approval or denial. Please provide dates from each agency including all approvals or denials received. [§121.5(a)(6)]

You must submit a response fully addressing each of the technical deficiencies set forth above. Please note that this information must be received within sixty (60) calendar days from the date of this letter, on or before **July 10, 2021**, or DEP may consider the application withdrawn.

You may request a time extension, in writing, to respond to the deficiencies beyond the sixty (60) calendar days. The request must be received prior to the response due date. Requests for time extensions will be reviewed and considered by DEP. You will be notified in writing of the decision either to grant or deny, including a specific due date to respond if the extension is granted.

If you believe that any of the stated deficiencies is not significant, instead of submitting a response to that deficiency, you have the option of asking DEP to make a decision based on the information with regard to the subject matter of that deficiency that you have already made available. If you choose this option with regard to any deficiency, you should explain and justify how your current submission satisfies that deficiency. Please keep in mind that if you fail to respond, your application may be withdrawn or denied.

If you have questions about the identified incompleteness items, please contact Felicia Lamphere at 717-772-5164 or [flamphere@pa.gov](mailto:flamphere@pa.gov) and refer to the Application number referenced above. You may also follow your application through the review process, please visit eFACTS on the Web at: <http://www.ahs2.dep.state.pa.us/eFactsWeb/default.aspx>.

Sincerely,
