Dear Mr. Rocco,

The PennEast Pipeline Company, LLC (“PennEast”) member companies, following extensive evaluation and discussion, recently determined that further development of the PennEast Pipeline Project (the “Project”) is no longer supported. Accordingly, PennEast has ceased all further development of the Project and respectfully withdraws its Chapter 105 Water Obstruction and Encroachment permit applications and executed Submerged Lands License Agreements, Chapter 102 Erosion and Sediment Control Plan permit applications, the Section 401 WQC approval, and the BAQ GP5 authorization (listed above) in their entirety from consideration by the PADEP RPCO and Northeast Regional Office.

Should you have any questions concerning this matter, please contact me at (610) 373-7999.

Sincerely,
