Dear Ms. Epps:

The Citizens Advisory Council (Council) Policy and Regulatory Oversight Committee (Committee) on February 6, 2013, reviewed two regulatory packages with Air Quality's Randy Bordner and Elias Rivera. They were the draft proposed rulemaking "Additional RACT Requirements for Major Sources of NO<sub>x</sub> and VOCs" and the final rulemaking of 25 *Pa. Code* Chapters 121 and 139 "Condensable PM Measurement and Reporting Requirements".

On the recommendation of the Committee, the Council voted at their February 19, 2013, meeting to concur with proceeding to the Environmental Quality Board with both of these rulemakings.

Council thanks the Bureau for providing complete briefings on air regulations. If there are any questions regarding Council's action, please contact Marjorie Hughes by e-mail at [mahughes@pa.gov](mailto:mahughes@pa.gov) or by telephone at 717-787-4527.

Sincerely,

John Walliser  
Chair
