

Environmental Justice Policy Revision

**Wednesday, October 18, 2023
6 PM – 8 PM**

**Erie Center for Arts & Technology • Ada Lawrence Community Room
650 East Avenue, Erie, PA 16503**

PUBLIC COMMENT MEETING

What is this about? The Office of Environmental Justice (OEJ) has revised the existing Environmental Justice Policy. The interim final of the updated Environmental Justice Policy is ready for formal public comment, and we want your opinion!

The new policy aims to integrate Environmental Justice into more aspects of DEP’s work to benefit Environmental Justice communities. We have conducted outreach, but this is the interim final comment period before the Environmental Justice Policy is adopted.

Persons with a disability who wish to attend the public comment meeting and require auxiliary aid, service, or other accommodations to participate in the proceedings should call through the Pennsylvania AT&T Relay Service at 1-800-654-5984 (TDD) to discuss how DEP may accommodate their needs.

For more information visit the Environmental Justice Policy Revision page at:
