ePermit Module Detail - Review The Security Agreement

Step 4: Review the Security Agreement

For purposes of this Security Agreement, the use of the terms "you" and "your" includes both the Owner and the EFA when appropriate

- Your access to the Department of Environmental Protection's (DEP) e-permitting System is a privilege and not a right. Access for your employees, agents or assignees to engage in electronic reporting is at the sole discretion of DEP and may be terminated at any time and without notice even over your objections
- Access to the DEP e-permitting System, for purposes of this agreement alone, is limited to the time that an individual is either a) your employee or b) an independent contractor, agent or assignee working on your behalf pursuant to your contract with DEP. The EFA and Users must be required to submit data to DEP as an essential duty pursuant to their designation under either 2(a) or 2(b) of this Security Agreement.
- You are ultimately responsible for the security repercussions of the Users approved by you, the decisions and actions of your EFA and the use by Users of their user name and password. User names and passwords are not to be shared with any other individual at any time during the course of this Security Agreement. Failure to adhere to this provision may result in the immediate termination of access as to a specific individual or to all of your approved Users with possible legal action by DEP for any direct, indirect or consequential damages that the breach of security caused.
- You agree that all electronic filings made by you and your Users pursuant to this designation will be in the manner prescribed by DEP.
- DEP reserves the right, at its expense, to audit your records pertaining to the evaluation, granting and monitoring of all security credentials granted to Users under this Security Agreement and you agree to cooperate with any such audit including access to all related records and individuals.
- You understand and agree that everything that is filed electronically must be submitted only by the EFA or User approved to the assigned GreenPort account. You, the EFA or the Users have no authority to delegate access to any third party that results in more than one person utilizing the same GreenPort user name and password. Failure to adhere to this provision may result in the immediate termination of a specific User or your access with possible legal action by DEP for any direct, indirect or consequential damages that this breach of security caused.

with possible legal action by DEP for any direct, indirect or consequential damages that the breach of security caused.

- Access to and use of DEP's e-permitting System will be according to the designated and approved use: read only, submit or edit only.
- You agree to engage in no activities during this Security Agreement that would be knowingly incompatible with the software, equipment, or electronic filing system of DEP.
- You will not knowingly permit or instruct the filing of false or erroneous data or documents by any individual with access to the DEP e-permitting System during the term of this Security Agreement.
- You agree that all electronic access and filings shall be in accordance with all Federal laws and the laws of the Commonwealth of Pennsylvania.
- You agree to immediately provide to DEP changes to any information requested as part of the security verification process for your EFA, and all of your approved Users, once known or should have reasonably been known. Failure to do so within thirty days of receipt as to any update may result in the termination of your access.
- In performing the services required by this Security Agreement, User is an independent Contractor and not an employee or agent of DEP or the Commonwealth of Pennsylvania and this Security Agreement shall be governed by and interpreted and enforced in accordance with the laws of the Commonwealth of Pennsylvania.
- If for any reason you terminate the access of the EFA, or any of your approved Users whether it be voluntarily or involuntarily, you are to notify DEP within 24 hours and provide an explanation as to your decision to terminate access.
- DEP reserves the right to request additional information from the Owner and/or EFA prior to approval of access to the DEP e-permitting System.
- In the event that the EFA is also a User, the EFA by digitally signing this agreement incorporates as if set forth in full, and agrees to, the additional obligations cited within the User Security Agreement.
- The Owner and EFA shall hold DEP and the Commonwealth harmless from and indemnify DEP and the Commonwealth against any and all claims, demands and actions, including attorney's fees and costs, based upon or arising out of any activities performed by the Owner, EFA and its employees and agents under this Security Agreement including all approved Users.
- You agree to immediately provide to DEP any changes as to any information that has been requested of the EFA and/or the Owner as part of the security verification process within thirty (30) days of any change. Failure to do so may result in the immediate termination of your access.
