

The "Active Accelerator Facilities in Pennsylvania" list contain facilities currently licensed or in the process of being licensed for operating an Accelerator(s). The list is updated at the beginning of each month. If a particular facility is not on the list they are not licensed, nor have they submitted an application to become licensed. Any questions about this list can be directed to the PA Bureau of Radiation Protection at 717-787-3720.

Facility Type	License Code Number	License Number (Example)
Medical	AC02	AC02-59843
Veterinarian	AC06	AC06-36987
Hospital	AC10	AC10-00012
Clinic	AC20	AC20-25803
School, College, University or High School	AC40	AC40-22115
Industrial	AC50	AC50-32541

The License Code Number is used to designate the type of Facility that is licensed. For example, a license number starting with AC20 indicates a Clinic. The remaining five numbers are unique to the individual facility licensed as a Clinic.
