Re: Issuance of Plan Approval 60-00022A  
EN-TIRE Logistics of Milton PA, LLC  
White Deer Energy Project  
White Deer Township, Union County

Dear Mr. Vincent:

Please find enclosed the plan approval for the construction of a tire-derived fuel/natural gas-fired two stage (kiln/boiler) combustion process, associated cooling tower, a dry sorbent storage and handling system, and 10,000 gallon aqueous ammonia storage tank at the NGC Industries, LLC facility located in White Deer Township, Union County. A regular Department operating permit will be subsequently issued IF: (1) the special conditions incorporated within the plan approval have all been fulfilled, (2) it has been demonstrated to the Department's satisfaction that the project was carried out as proposed in the application and that the operation of the source(s) and any associated air pollution control equipment conforms with the operational information stated in the application and any supplemental information, and (3) it has been demonstrated to the Department's satisfaction that the air contaminant emissions from the source(s) are in compliance with the requirements specified in, or established pursuant to, all applicable Department Rules and Regulations.

Plan Approval 60-00022A was issued and became effective on September 27, 2013. The plan approval will expire on March 27, 2015. Please include the following identification number with any correspondence to the Department concerning this Plan Approval: 60-00022A. The comment-response document attached to this letter contains the Department's responses to all relevant comments received regarding the proposed plan approval, including those contained in your letter dated May 1, 2013.

This plan approval also contains special conditions which must be fulfilled. Failure to do so constitutes a violation of Section 127.25 of the Department's Rules and Regulation, upon which legal action could be taken, and such failure is also grounds for denial of an operating permit.

Any person aggrieved by this action may appeal, pursuant to Section 4 of the Environmental Hearing Board Act, 35 P.S. Section 7514, and the Administrative Agency Law, 2 Pa. C.S.
