Re: 2022 Consent Order and Agreement - Coterra Energy Inc.
Dimock Township and Springville Township
Susquehanna County, Pennsylvania
Confirmation of Interim Water Treatment Provision and Fulfillment of Obligations Related to
Restoration or Replacement of Water Supplies

Dear Ms. Means,

In accordance with Paragraph 4.a of the above-referenced 2022 Consent Order and Agreement (COA), Coterra Energy Inc. (Coterra) is providing written confirmation to the Department that it has satisfied its obligations under Paragraphs 3.a, 3.c, and 3.e.

Paragraph 3.a.

Coterra made a one-time payment of \$16.29 million dollars to the Pennsylvania Attorney General's Office on December 22, 2022, within 90 days of execution of the COA, satisfying this obligation.

Paragraph 3.c

Coterra has successfully installed Interim Treatment systems for the following owners of the Subject Water Supplies:

- #1 – [REDACTED]
- #2 – [REDACTED]
- #3 and #4 – [REDACTED]
- #5 – [REDACTED]
- #6 – [REDACTED]
- #7 – [REDACTED]
- #10 – [REDACTED]

- #14
- #15
- #16
- #17

The associated analytical data collected pre- and post-treatment for each Interim Treatment system, confirming that these systems meet the standards as specified in Paragraph 3.c (referencing 58 Pa C.S. § 3218(a) and 25 Pa. Code § 78a.51(d)), has been uploaded to the FTP Site consistent with prior data submittals associated with this COA to the Department. Note that for systems installed and turned in-line during the first quarter of 2023, which included landowners #5, #6, #7 #15, and #16 (referenced above), this data was previously uploaded to the FTP site for the Department's record on April 27, 2023, in accordance with Paragraph 3.c.ii. Coterra is and will continue to perform operation and maintenance (O&M) and quarterly sampling of the Interim Treatment systems in accordance with Paragraph 3.c.

Paragraph 3.e

For the remaining residents, who either declined Interim Treatment or failed to provide an affirmative response (one resident would not make an election), a Mitigation Fund has been established in accordance with Paragraph 3.e of the COA, as detailed in our Funding Notice to the Department dated May 1, 2023. These funds, in the amount of \$450,000, were placed into the Mitigation Fund account on May 19, 2023, immediately following receipt of the Department's approval letter. Confirmation of the deposit is enclosed.
