

DATA RESOURCE LIST

The following data resource list is not meant to be an all-encompassing list to identify resources. There may be data available through other platforms and sources. This list is meant to aid in the identification of resources and the assessment of risk associated with trenchless technology methods. It may be used in conjunction with the DEP's *Trenchless Technology Technical Guidance Document* (310-2100-003).

For more information, please visit the Bureau of Waterways Engineering & Wetlands <https://www.dep.pa.gov/Business/Water/Waterways/Pages/default.aspx> or visit the Trenchless Technologies webpage at <https://www.dep.pa.gov/About/Regional/RPCO/Pages/Trenchless.aspx>.
