Re: HDD S3-0290 Impact Assessment and Restoration Plan, Rev. Date 03:December 2021
Sunoco Pipeline, L.P. – Pennsylvania Pipeline Project (Mariner East II)
Upper Uwchlan Township
Chester County

Dear Mr. Bryan:

The Department of Environmental Protection (DEP) and Department of Conservation and Natural Resources (DCNR) have reviewed Sunoco Pipeline, L.P.'s December 3, 2021 revised Impact Assessment and Restoration Plan (Plan) for Marsh Creek Lake.

Please be advised that this Plan is approved for the purpose of impact assessment, remediation and restoration of the Marsh Creek Reservoir, and related activities, resulting from the August 10, 2020, inadvertent return (IR) event that occurred during the horizontal direction drill (HDD) operation under Streams H10/H11 and Wetland H17, and the August 11, 2020 subsidence event, in Upper Uwchlan Township, Chester County, Pennsylvania, during the construction of the Mariner East II - Pennsylvania Pipeline Project (Project).

The Temporary Discharge Permit Application attached as Appendix J and the Erosion and Sediment Control Plan attached as Appendix L are acknowledged. The review and approval of those aspects of the Plan will be made separately.

Please submit the proposed Erosion and Sediment Control Plan with a permit amendment request to E&S Permit No. ESG0100015001 to DEP by December 31, 2021.

If you have questions or concerns, please contact either of us and refer to the submission titled "HDD S3-0290 Impact Assessment and Restoration Plan, Rev. Date 03: December 2021."

Sincerely,

John Hohenstein, P.E.
Environmental Program Manager
Waterways and Wetlands

Heather Bollinger
Chief, Park Operations and Maintenance
PA DCNR Bureau of State Parks
