The attached information is enclosed for the following reason:

- Reporting:** Attached application requires Corps review for the following reasons (select all applicable Reporting reasons/activities - **see Part III.E.**). If project crosses Corps District boundaries, check here :

<input type="checkbox"/> 1. Corps review requested	<input type="checkbox"/> 2. Exceeds reporting thresholds	<input type="checkbox"/> 3. Previous Fed. Authorization
<input type="checkbox"/> 4. Endangered Species	<input type="checkbox"/> 5. Jurisdictional Dam maintenance	<input type="checkbox"/> 6. Historic Properties
<input type="checkbox"/> 7. National Wild/ Scenic Rivers	<input type="checkbox"/> 8. No restrictive covenant	<input type="checkbox"/> 9. Activities requiring EIS
<input type="checkbox"/> 10. Located in Reporting Waters	<input type="checkbox"/> 11. Crosses PA boundary	<input type="checkbox"/> 12. Mining activities
<input type="checkbox"/> 13. Mitigation Bank/ ILF site	<input type="checkbox"/> 14. Corps Civil Works or Property	<input type="checkbox"/> 15. Reasonably related apps
<input type="checkbox"/> 16. Temp impacts > 1yr	<input type="checkbox"/> 17. Jurisdiction Determination Request	<input type="checkbox"/> 18. Sturgeon Waters
<input type="checkbox"/> 19. Individual 401 Required	<input type="checkbox"/> 20. Utility Line Crossing Section 10 Water	

- Non-Reporting Verifications within the Philadelphia District:** Application, copy of State authorization with Record of Decision (if applicable), Cover Sheet, and copy of PASPGP-6 verification are sent to the Philadelphia District only. Multiple applications/registrations with supporting documents, including PADEP authorization numbers, for the same overall project, may be submitted under one cover sheet, provided they are packaged and attached to a cover sheet that addresses all of the applications/registrations.

- EMERGENCY PERMIT:** Check this box and send information to the Corps expeditiously if an Emergency Permit (EP) with PASPGP-6 verification has been issued, and PNDI has unresolved impacts to Federal Threatened or Endangered Species. (Copy of EP, Cover Sheet, any plans, and PNDI results sent to Corps.)

Additional Information:

- Copy of State Auth. and ROD included (for Reporting Applications Previously Sent)
- Associated pending, issued, or reasonably related permit, authorization, or modification:

DEP Authorization # _____ **Corps Permit #** _____ (if known)
- Chapter 106 Floodway Only Impacts
- Not eligible for PASPGP-6
- Other: _____
