Re: Response to Technical Deficiency
Permit No. GP05020718-002
ET - Braddock Well Pad & Pipelines
Merrion Oil & Gas
East Pittsburgh Borough, North Braddock
Borough, North Versailles Township
Allegheny County, PA
ARM Project 180539-1-1

Dear Mr. Stephan:

On behalf of Merrion Oil & Gas (Merrion), ARM Group Inc. (ARM) hereby provides this package in response to comments Merrion received in an email from the Pennsylvania Department of Environmental Protection (PADEP) dated February 26, 2019 pertaining to the General Permit Registration (GP-5) for the above-mentioned project in East Pittsburgh Borough, North Braddock Borough, and North Versailles Township, Allegheny County, Pennsylvania. The following paragraphs outline the PADEP comments in bold/italics followed by Merrion's responses in standard text.

Comment 1: Update the Consultant Information on the General Permit Registration page (Form 3150-PM-BWEW0500).

Response 1: The Consultant Information on Page 1 of the General Permit Registration has been updated to ARM Group Inc. A revised copy of page 1 of the General Permit Registration is included as Attachment 1.

Comment 2: Acknowledge that the Erosion and Sediment Control Plan Narrative along with drawings C701-C710 will be considered void in this Chapter 105 acknowledgement due to a separate permit submitted under Chapter 102 for Erosion and Sediment Control.

Response 2: Comment 2 is acknowledged. The Erosion and Sediment Control Plan Narrative and associated Drawings C701-C710 shall be considered “void” in this Chapter 105 registration application.

Comment 3: *Update the Aquatic Resource Impact Table to include the Temporary Impacts to the Floodway of UNT to Turtle Creek from the installation of the utility lines.*

Response 3: The Aquatic Resource Impact Table is updated to include the utility line installation Temporary Impacts. The revised table is included as Attachment 2.

ARM is submitting one (1) original and one (1) copy of this comment response package for your review and approval. We trust that this additional information addresses your review comments concerning the ET - Braddock Well Pad and Pipelines General Permit Registration. If you have any other questions or comments, or require any additional information, please do not hesitate to contact me at 814-272-0455, extension 2205.

Respectfully submitted,

ARM Group Inc.

Tessa Antolick, P.E.
Senior Engineer
