RE: New Project Assignment
Easton Road PFC Site
Requisition Number IRRSC7-1-318

Dear Mr. Orloski:

The Department is pleased to assign the performance of interim remedial response services at the **Easton Road PFC Site** to Tetra Tech, Inc. under contract **SAP#4000019261** and requisition number **IRRSC7-1-318**. The site is located in the following Bucks County municipalities: Doylestown Borough, Doylestown Twp., Buckingham Twp., and Plumstead Twp. Carly Baker of the Department's Southeast Regional Office is the designated project officer. She can be reached at 484-250-5730

Enclosed is the Requisition for Contractual Services and Scope of Work. The project scoping meeting is scheduled for June 7, 2016 at 9:30 a.m. at the Department's Southeast Regional Office. A site visit will be conducted after the scoping meeting. The Department is authorizing a Not-To-Exceed budget for **Task 1010 – Project Planning** in the amount of **\$5,000.00**. The work performed under this task shall include scoping meeting attendance, review of any site documents provided before and during the meeting, preparation of meeting minutes, and preliminary work plan and cost estimate development per the finalized scope of work.

If you have any questions regarding this letter, please do not hesitate to contact me.

Sincerely,

James Smathers
