

Energy Storage Consortium

June 3, 2025

1:00 to 2:30 pm

Agenda

1:00 pm to 1:05 pm	Welcome
1:05 pm to 1:45	Proposed PA “Lightning Plan” (Max Schultz, Director of Energy Infrastructure Solutions, Pennsylvania Governor’s Office) Max will provide an overview of Governor Shapiro’s proposed all-of-the-above energy plan with emphasis on elements of the plan designed to encourage energy storage. 10 minutes will be reserved for Q&A.
1:45 pm to 2:20 pm	Resilient Microgrids in Pennsylvania Communities (Carolyn Dougherty Senior Analyst, Research and Industry Strategy, Smart Electric Power Alliance (SEPA)) Carolyn will provide an overview of the Microgrid Study which SEPA prepared for PADEP to highlight opportunities to increase energy resilience solutions using microgrids. Carolyn will demonstrate the GIS mapping tool developed for the study and answer questions.
2:20 pm	Wrap up
