Pennsylvania Department of Environmental Protection
Bureau of Environmental Cleanup and Brownfields
Division of Storage Tanks

DEP-PROVIDED TRAINING - SCHEDULE & REGISTRATION FORM

Our training locations have changed. See page 2 for training site information and addresses. The North-Central and South-Central regional sessions are combined into one. **Online training sessions are designed to provide an alternative for certified individuals who are headquartered out of state. Online attendees MUST have a camera, and it MUST be turned on, no exceptions.** Applicants headquartered within Pennsylvania must designate an alternative in-person session when requesting attendance at a webinar session.

Training is required for all DEP certified tank handlers and inspectors during each renewal cycle and can be scheduled up to 2 years prior to their certification expiration date. *Administrative and office staff are also encouraged to attend,* space permitting.

Registration is **required no later than one week before** the scheduled training session. To register, **email** this registration form to Wendy Davis at wendavis@pa.gov. Wendy can be reached by calling (717) 772-5829.

Please Note*: We reserve the right to change any scheduled in-person session to an online session due to inclement weather. Therefore, it is important that you* ***provide your current email address below.***
