

AML/AMD Grant Program Instructions & Forms

Select the appropriate link below for the desired form. Save to your computer for full functionality.

Application for Reimbursement

[Application for Reimbursement Instructions](#) (Download PDF)

- Step-by step guidance on completing application for reimbursement package.

[Application for Reimbursement Package](#) (Download PDF)

- Fillable packet for submitting a reimbursement request.

Reporting

[Work Progress Report](#) (Download PDF)

- Quarterly performance report detailing project activities and project work completed.

[AML AMD Annual Financial Report Template](#) (Download XLSX)

- Template for reporting annual expenditures and balances. Required 90 days after each annual period of performance.

Revisions, Amendments, & Extensions

[Performance Extension Request](#) (Download PDF)

- Use this form to request an extension of time if the project will not be completed in the current period of performance.

[Budget Category Revision Request](#) (Download PDF)

- Template to reallocate funds within budget categories with no change in the grant value. An AML AMD Budget Worksheet will also need to be submitted with this request.

Budget Worksheet

[AML AMD Budget Worksheet](#) (Download XLSX)

- Fillable worksheet to build your project budget with budget category subtotals. Required for Budget Category Revision Requests or grant amendments.

Consent for Right of Entry

[Business/Government Entity](#) (Download PDF)

- For use when the property owner is a business or government entity.

[Individual](#) (Download PDF)

- For use when the property owner is a homeowner or individual property owner and the property is not affiliated with a business or government entity.

[Lessee](#) (Download PDF)

- For use when the property is leased. The lessee and the property owner (Business/Government Entity or Individual) will need to provide consent.
