ABS Legacy Sites (Program Amendment Attachment 1)

DEP has requested concurrence from OSM to remove the following sites from the list of ABS Legacy Sites:

The K&J Coal Co. Westover (11693000) and Gaber/Brown (17880129) sites have been removed because the Trust Fund for these sites is funded. The values were confirmed in January 2018.

Potential ABS Legacy Sites (Program Amendment Attachment 2)

DEP has requested concurrence from OSM to remove the following sites from the list of potential ABS Legacy Sites:

The PBS Coals Inc. Jolin Strip/Job 12 (56663098), Walker Mine (56663135), Roberts Mine (56813104), Acosta (56960107) and Croner, Inc. Goodtown Preparation Plant (56841605) sites have been removed from the list because the final payment for the PBS Global Trust was submitted in 2017 with the values confirmed in January 2018.

The Shade Mining Company Shade No.3 Mine (56813050) site has been removed from the list because the Trust Fund was fully funded at inception, 2017.

The Blairsville Associates Eagle Strip & Auger (32823005), Rosebud Mining Company Jopa No.1 (56880103) and Horner (56960106) sites have been removed from the list because the sites were bonded during 2017.

Land Reclamation (Program Amendment Attachment 3)

Under the proposed program amendment, the Department will provide a report certifying progress made during the previous year toward satisfying the obligation to complete the land reclamation for the ABS Land Reclamation sites.

January 31, 2018

Laurel Run Corp. (Laurel Run Mine), Permit number 40920101

During 2017, the Laurel Run Corp. Laurel Run Mine was removed from the land reclamation list since the reclamation was completed 2016. The reclamation was completed in 2016 and the warranty period has expired. All reclamation activities were conducted from July to October 2016. A total of 6 acres were reclaimed. Reclamation was accomplished through a Sole Source Grant to Earth Conservancy, Inc. The Final Inspection of the site reclamation was conducted On December 20, 2016.

Shamrock Coal Co. Inc. (Reber 4 Mine), Permit number 54813225

During 2017, the Shamrock Coal Co. Inc. Reber 4 Mine was removed from the land reclamation list since the reclamation was completed. The reclamation was completed in 2017 and the warranty period has expired. All reclamation activities were conducted from September to November 2017. A total of 7 acres were reclaimed. Reclamation was accomplished through a Sole Source Grant to Schuylkill Headwaters Association. The Final Inspection of the site reclamation will be conducted in the spring of 2018.

J&W Coal Co. (Lake Run 1 Mine), Permit number 54830110

During 2017, the J&W Coal Co. Lake Run 1 Mine was removed from the land reclamation list since the reclamation was completed. The reclamation was completed in 2018. All reclamation activities are being conducted from September 1, 2017 to present. Reclamation is being accomplished through a Sole Source Grant to Schuylkill Headwaters Association. The Final Inspection of the site reclamation will be conducted in the spring of 2018.

Sites listed in the Settlement Agreement
