

Pennsylvania Blaster Training Seminar
Hosted by APEC
July 15, 2015

The Association of Paving & Excavating Contractors is pleased to offer a blaster training seminar that meets the criteria of PA DEP for renewal of blasting licenses. This training will be held on Wednesday July 15, 2015 from 8:00 am until 4:00 pm at the training facilities of Newville Construction Services, Inc. located at 34 North Corporation Street in Newville, PA 17241. This training is being offered free of charge to all employees of APEC members. Any person who wishes to attend the training and is not affiliated with an APEC member company will be asked to make a \$50 donation to Habitat for Humanity in exchange for the training.

The curriculum for the training is as follows:

Everyday safety measures in blasting presented by Jim Shuster

Proper blast record keeping presented by Rick Lamkie

Proper drilling techniques presented by Joe Accardo

Proper use of electronic detonators presented by Daveytronic Company*

Available products and their uses presented by Jay Elkin

*a live use demonstration is planned with actual blast loading and detonation using electronic detonators (weather permitting)

Registration for this seminar is limited to the first 40 persons who complete and forward their registration to our offices. Please complete the attached registration form and forward it to our offices no later than July 5, 2015.
