- Adjournment

Following the official meeting of the Board of Coal Mine Safety, a presentation by CERMUSA (Center of Excellence for Remote and Medically Under-Served Areas) is scheduled take place. The purpose of this presentation is to brief the Board on a proposed joint project between CERMUSA and the Indiana University of Pennsylvania Research Institute to seek government-research funds to modify existing software known as CIMS (Civil Support Team Information Management System). The public is welcome to attend.
