PENNSYLVANIA BITUMINOUS COAL MINE ACT

ARTICLE I APPLICATION, DEFINITIONS, ADMINISTRATION

Section 101: Short Title	1
Section 102: Applications	1
Section 103: Definitions.....	1
Section 104: The Secretary and the Deputy Secretary	6
Section 105: Mine Inspection Districts; Mine Inspectors	10
Section 106: Electrical Inspectors.....	10

Section 107:	Eligibility for Appointment as a Bituminous Coal Mine Inspector	11
Section 108:	Eligibility for Appointment as an Electrical Inspector	12
Section 109:	Bituminous Mine Inspectors' and Electrical Inspectors' Examining Board.....	12
Section 110:	Salary of Mine Inspectors	17
Section 111:	Salary of Electrical Inspectors	18
Section 112:	Mine Inspector; Expenses	18
Section 113:	Electrical Inspector; Expenses	19
Section 114:	Mine Inspector; Bond; Oath.....	19
Section 115:	Temporary Mine Inspectors and Electrical Inspectors.....	20
Section 116:	Removal of Mine Inspectors and Electrical Inspectors.....	20
Section 117:	Duties of Mine Inspectors	22
Section 118:	Duties of Electrical Inspectors	23
Section 119:	Inspections; Reports of Inspections ...	23
Section 120:	Mine Inspector; Cease Work.....	25
Section 121:	Mine Inspectors' Findings	25
Section 122:	Mine Inspectors' Reports to the Secretary	27
Section 123:	Discretionary Power of Mine Inspectors	28

Section 124:	Appointment of a Commission by the Secretary.....	28
Section 125:	Reports of Operating Mines	29
Section 126:	Mine Rescue Station; Equipment; Instructors	30
Section 127:	Mine Rescue Crews	32
Section 128:	Supervision of Mine Rescue Work	32

ARTICLE II

BOARDS OF EXAMINERS; EXAMINATION AND CERTIFICATION; DUTIES OF MINE FOREMEN, ASSISTANT MINE FOREMEN, MINE EXAMINERS, MINE ELECTRICIANS, MINERS, MACHINE OPERATORS, AND SHOT- FIRERS; GENERAL MINING REQUIREMENTS

A: Boards of Examiners and Certification of Mine Foremen, Assistant Mine Foremen, Mine Examiners, and Mine Electricians

Section 201:	Boards of Examiners.....	33
Section 202:	Districts for Board of Examiners	34
Section 203:	Preparation for Examinations	34
Section 204:	Compensation of Boards of Examiners	35

Section 205:	Designation of Boards for Examination	36
Section 206:	Qualification for Certification.....	37
Section 207:	Fees for Examination	41
Section 208:	Issuance of Certificates	41
Section 209:	Records of Examinations	42
Section 210:	Unlawful to Use Non-Certified Persons	42
Section 211:	Certification of Miners.....	44
Section 212:	Qualifications for Certification as Miners	45
Section 213:	Fees for Miners' Certificates	46
Section 214:	Issuance of Miners' Certificates	46
Section 215:	Unlawful to Use Non-Certified Miners	47
Section 216:	Penalty for Forged Certificates	47
	B: Certification of Mining Machine Operators and Shot-Firers	
Section 217:	Certification of Mining Machine Operators and Shot-Firers	48
	C: Duties of Mine Foremen and Assistant Mine Foremen	
Section 218:	Employment of Mine Foremen.....	49
Section 219:	Employment of Mine Electricians	50

Section 220:	Employment of Assistant of Mine Foremen	50
Section 221:	Mine Foreman; Ventilation.....	51
Section 222:	Mine Foreman; Safety of Working Places	55
Section 223:	Mine Foreman; Shooting	57
Section 224:	Mine Foreman; Drainage	58
Section 225:	Mine Foreman; Employment of Competent Persons.....	60
Section 226:	Mine Foreman; Inspections and Reports	60
D: Employment and Duties of Mine Examiners		
Section 227:	Employment of Mine Examiners	63
Section 228:	Duties of Mine Examiners	64
E: Duties of Mine Superintendents		
Section 229:	Management of the Mine	67
Section 230:	Mine Supplies; Countersign Reports .	68
Section 231:	General Responsibility of Superintendent	68
Section 232:	Danger Signals	69
Section 233:	Rules and Notices	69
Section 234:	Withdrawal of Certification	70

F: Maps and Plans

Section 235:	Contents of Maps and Plans.....	71
Section 236:	Information as to Adjoining Mine	73
Section 237:	Availability of Map.....	73
Section 238:	Revision of Map.....	74
Section 239:	Furnishing Copies of Maps.....	74
Section 240:	Duties Upon Abandonment of Mine..	75
Section 241:	Survey by Mine Inspector	76

G: Ventilation

Section 242:	Ventilation Requirements	76
Section 243:	Crosscuts and Stoppings	79
Section 244:	Doors, Overcasts, and Undercasts	80
Section 245:	Line Brattice.....	81
Section 246:	Auxiliary Blowers and Fans.....	82
Section 247:	Unused and Abandoned Parts of the Mine	83
Section 248:	Sewage Dumping Prohibited	83
Section 249:	Fans	84
Section 250:	Measurement of Methane	85

H: Coal Dust and Rock Dust

Section 251:	Control of Coal Dust; Rock Dusting..	86
--------------	--------------------------------------	----

I: Roof; Face; Ribs

Section 252: Employes, Instruction of; Examination of Working Areas, Duties88

Section 253: Roof Support.....89

J: Explosives and Dislodging Coal

Section 254: Authorized Explosives92

Section 255: Surface Magazines for Explosives.....92

Section 256: Underground Storage of Explosives ..93

Section 257: Preparation of Shots; Blasting Practices; Multiple Shooting.....94

Section 258: Other Blasting Devices96

Section 259: Transportation of Explosives98

Section 260: Unlawful to Employ Non-Certified Shot-Firers.....99

Section 261: Electrical Shot-Firing.....100

Section 262: General Shot-Firing Rules100

K: Hoisting

Section 263: Hoisting Equipment; Duties of Operator or Superintendent; Hoisting Operations102

Section 264: Duties of Bottom Man106

Section 265: Number of Persons to be Hoisted107

Section 266: Duties of Top Man.....108

Section 267: Use of Competent Engineers110

L: Transportation

Section 268: Clearances and Shelter Holes.....110

Section 269: Underground Equipment; Use and Maintenance112

Section 270: Operation of Haulage Equipment113

Section 271: Duties of Trip Rider and Hooker-On on Rope Haulage.....115

Section 272: Transportation of Men116

Section 273: Conveyor Belts; Construction and Operation of Conveyor Equipment Underground118

M: Welding and Cutting

Section 274: Blowtorches and Fuel120

Section 275: Oxygen and Fuel120

Section 276: Transportation of Oxygen and Gas..121

Section 277: Storage of Oxygen and Gas121

Section 278: Use of Oxygen and Gas122

N: Miscellaneous Safety Provisions; Operating Requirements, and General Practices

Section 279: Duties of Persons Subject to this Act; Rules and Regulations of Operators.....125

Section 280: Reclassification from Non-Gassy to Gassy Mine126

Section 281:	Protective Clothing	126
Section 282:	Checking Systems	127
Section 283:	No Act Permitted Endangering Security of Mine; Search for Intoxicants, Matches, etc.	128
Section 284:	Responsibility for Care and Maintenance of Face Equipment	129
Section 285:	Control of Dust and Other Inhalation Hazards	129
Section 286:	Safeguards for Mechanical Equipment for Mechanical Equipment.....	129
Section 287:	First Aid Equipment.....	130
Section 288:	Minimum Fire Protection.....	131
Section 289:	Stables in Mines	138
Section 290:	Mine Openings or Outlets; Roadways, Hoisting Equipment at Shaft Outlets; Sinking of Shafts; Limitation of Section	138
Section 291:	Mining Close to Abandoned Workings.....	146
Section 292:	Lubrication and Storage of Flammable Lubricants	148
Section 293:	Approved Lighting Devices in Gassy Mines.....	149
Section 294:	Unauthorized Entering of a Mine a Misdemeanor.....	150

Section 295:	Passing by or Removing Danger Signals.....	150
Section 296:	Miners to Remain in Working Places	151
Section 297:	Openings Abandoned After the Effective Date of This Act	151
Section 298:	Opening for Drainage on Other Lands.....	152
Section 299:	Ladders in and about Mines	156
Section 299.1:	Employment of Person Under Eighteen Years of Age	156
Section 299.2:	Inside Structures to be of Incombustible Materials.....	157
O: Surface Structures and Practices		
Section 299.3:	Tipple and Cleaning Plant.....	157
Section 299.4:	Housekeeping.....	158
Section 299.5:	Storage of Flammable Liquids in Lamp House	159
Section 299.6:	Smoking in and around Surface Structures	159
Section 299.7:	Wash-houses	159

ARTICLE II-A
DIESEL-POWERED EQUIPMENT

Section 201-A: Underground Use	160
Section 202-A: Diesel-powered equipment package	161
Section 203-A: Exhaust emissions control.....	162
Section 204-A: Ventilation.....	166
Section 205-A: Fuel storage facilities	167
Section 206-A: Transfer of diesel fuel	170
Section 207-A: Containers	173
Section 208-A: Fire suppression for equipment and transportation.....	176
Section 209-A: Fire suppression for storage areas	178
Section 210-A: Use of certain starting aids prohibited	181
Section 211-A: Fueling	181
Section 212-A: Fire and safety training	182
Section 213-A: Maintenance	183
Section 214-A: Records	184
Section 215-A: Duties of operator	186
Section 216-A: Scheduled maintenance.....	188
Section 217-A: Emissions monitoring and control	190

Section 218-A: Diagnostic testing.....	192
Section 219-A: Exhaust gas monitoring and control	194
Section 220-A: Training and general requirements	196
Section 221-A: Equipment-specific training.....	200
Section 222-A: Diesel mechanic training.....	202
Section 223-A: Operation of diesel-powered equipment.....	205
Section 224-A: Technical Advisory Committee on Diesel-Powered Equipment	206

**ARTICLE III
RULES FOR THE INSTALLATION AND
MAINTENANCE OF ELECTRICAL
EQUIPMENT**

A: Duties of Mine Foreman and Superintendent

Section 301: Duties of Mine Foreman and Superintendent	214
--	-----

B: Definitions

Section 302: Definitions.....	214
-------------------------------	-----

C: Plan of Electrical System

Section 303: Plan of Electrical System	221
--	-----

D: General Electrical Requirements

Section 304:	Protection Against Shock.....	221
Section 305:	Restoration From Shock	222
Section 306:	Report of Defective Equipment	222
Section 307:	Damage or Alteration to Mine Electrical System	223
Section 308:	Capacity	223
Section 309:	Joints in Conductors.....	223
Section 310:	Cables Entering Fittings.....	224
Section 311:	Switches, Fuses, and Circuit Breakers	224
Section 312:	Lightning Protection	225
Section 313:	Underground Power Supply.....	225
Section 314:	Storage Battery Equipment.....	235
Section 315:	Steam Cleaners.....	236
Section 316:	Electrical Face Equipment	237
Section 317:	Inspection of Equipment.....	242
Section 318:	Stationary Motors.....	242
Section 319:	Permanent Underground Installation.....	243
Section 320:	Underground Illumination	243
Section 321:	Telephones and Signaling	244
Section 321.5:	Application of Provisions	246

E: Direct Current Installations

Section 322: Grounding246

Section 323: Voltage Limitation247

Section 324: Incoming Feeder Disconnect
Switches247

Section 325: Bonding.....247

Section 326: Trolley Installation.....248

Section 327: Connections to Trolley.....248

Section 328: Guarding249

Section 329: Locomotives.....249

Section 329.5: Application of Provisions; System
Components; Basic System; Resistor
Ground Connection.....250

F: Alternating Current Installations

Section 330: Outdoor Substation251

Section 331: High Voltage Underground
Transmission System254

Section 332: Load Center.....258

Section 333: Distribution Centers260

G: Technological Improvement

Section 334: Technological Improvement262

**ARTICLE IV
ACCIDENTS**

Section 401: Explosion or accident; investigation
by Department of Environmental
Protection and
Mineral Industries; Inquests.....263

Section 402: Scene of accident; preservation
of evidence265

**ARTICLE V
REPORTS; COMPLIANCE**

Section 501: Annual and monthly reports by
operators of bituminous coal mines .266

**ARTICLE VI
AUGER MINING**

Section 601: Permit Required268

Section 602: Duties of Operators268

Section 603: Special Requirements.....268

ARTICLE VII
MISCELLANEOUS PROVISIONS

Section 701:	Compliance and construction.....	274
Section 702:	Adoption of new items or methods..	274
Section 703:	Criminal penalties	275
Section 704:	Severability	275
Section 705:	Specific repeals	276
Section 706:	General repeal	280

EMERGENCY MEDICAL PERSONNEL
GENERAL PROVISIONS

Section 1:	Definitions.....	281
Section 2:	Emergency medical personnel in coal mines	281
Section 3:	Regulations for training and certification	284
Section 4:	First-aid training of coal mine employees	285
Section 5:	Continuing training	285
Section 6:	Certification	286
Section 7:	Liabilities	286
Section 8:	Equivalent training.....	287

Section 9: Regulations for operational provisions287

**CERTIFIED MINE OFFICIALS ACT
GENERAL PROVISIONS
MINE FOREMEN AND ASSISTANT MINE
FOREMEN**

Section 1: Foreman, assistant foremen and fire bosses deemed officers of Commonwealth; time of performance of duties287

Section 2: Complaints of neglect of duties; hearings; suspension of certificates288

Section 3: Conduct of hearings; notice; record; brief or argument; findings and order289

Section 4: Review by common pleas; modification of orders; re-examination290

Section 5: Oaths and affirmations; witnesses; subpoenas290

Section 6: Service of orders, process and papers291

Section 7: Uncertificated officials; proceedings against; reinstatement.....292

Section 8:	Employment of one whose certificate suspended or revoked or who has been disqualified.....	292
------------	--	-----

SAFETY ZONES

Section 1:	Establishment of safety zones.....	293
Section 2:	Written authorization needed to mine within safety zone	294
Section 3:	Requirements for plan approval.....	294
Section 4:	Pillar recovery.....	295
Section 5:	Proof of rock cover	295
Section 6:	Copies of plans and proof of rock cover to be signed	296
Section 7:	Approval or disapproval of plans.....	296
Section 8:	Notice to miners working within the safety zone	297
Section 9:	Penalties	297

SEALING ABANDONED MINES

Section 1:	Short title.....	298
Section 2:	Definitions.....	298
Section 3:	Duty to seal openings.....	299

Section 4:	Payment of cost when operator not in possession	300
Section 5:	Maintenance of seals.....	300
Section 6:	Right of entry by department or its representatives.....	301
Section 7:	Removing or destroying seal; penetrating sealed mine.....	301
Section 8:	Refusal or neglect to seal openings.....	302

ENTOMBED WORKMEN

Section 1:	Recovery of bodies of entombed workmen; decree as to death.....	302
------------	---	-----
