Re: Complaint ID No. 259354
Act 223 Section 208 Determination
Knox Township Township, Jefferson County

Dear [REDACTED]

Our investigation of your area conducted on February 12, 2009, indicates there are elevated parameters in your water supply, which are above predrill levels. Seneca Resources, Inc. has been contacted to proceed with the replacement of your water supply as described in the Oil and Gas Act 223, Section 208. The Department will be overseeing this process. The analyses are included for your records:

Should you have any questions concerning this matter, please feel free to contact me.
