Transcontinental Gas Pipe Line Company, LLC
Lebanon County*

ATTACHMENT M -1
EROSION AND SEDIMENT CONTROL PLAN
(UNDER SEPARATE COVER)

*Note: This Attachment has been revised in its entirety.
Revised April 2017*

*Atlantic Sunrise Project – PA DEP Chapter 105 Joint Permit Application
Transcontinental Gas Pipe Line Company, LLC
Lebanon County*

A copy of the Project-specific Erosion and Sediment Control General Permit - 2 Plan Set and narratives, as well as the county-specific anti-degradation analysis (see Section 1.16 of the Erosion and Sediment Control Plan Narratives and Section 1.15 of the Post Construction Stormwater Management Plan Narratives), have been provided with this application. Since the overall Project crosses two counties (Lancaster and Lebanon) in the Department's Southcentral Region with separate Chapter 105 applications for each county, one plan set and one narrative for each respective county that is crossed by the Project have been provided to the Southcentral Region in accordance with the direction provided by the Department.
