Dear Ms. Smith:

Per your request, attached are the Erosion and Sediment Control and Site Restoration Plans for the Pennsylvania Pipeline Project within Caernarvon Township. The project limits of disturbance will be restored to meadow within the township which is consistent with the requirements of the Schuylkill River Watershed Act 167 Plan (June 2007) and the Conestoga River Watershed Act 167 Plan (September, 2005). There are no permanent stormwater BMPs or impervious areas proposed within Caernarvon Township.

Should you have questions regarding this correspondence, please do not hesitate to contact me at 412-921-8963 or via e-mail at [megan.carson@tetrattech.com](mailto:megan.carson@tetrattech.com).

Sincerely,  
Megan Carson
