Dear Ms. Smith:

Per your February 15th, 2016 email request, attached are the Erosion and Sediment Control report/Plans and Site Restoration & Post Construction Stormwater management report/Plans for the Pennsylvania Pipeline Project within Caernarvon Township. The project limits of disturbance will be restored to meadow within the township which is consistent with the requirements of the Schuylkill River Watershed Act 167 Plan (June 2007) and the Conestoga River Watershed Act 167 Plan (September, 2005). There are no permanent stormwater BMPs or impervious areas proposed within Caernarvon Township.
