Pennsylvania Pipeline Project
Woodbury Township, Blair County
Project No. 93-0001.209

Dear Ms. Batoon:

On behalf of Woodbury Township, please be advised that the Township does not have a local Storm Water Management Plan effective in the project area.

In regard to the Floodplain Management Plan, to the best of my knowledge and belief, this project is consistent with the FEMA Floodplain Management Program effective in the Township.

Please feel free to contact our office if you should have any questions.

Sincerely

Christopher L. Dutrow, P.E.
