Glenmore, PA 19343

Reference: Request for Floodplain and Act 167 consistency review
Sunoco Pennsylvania Pipeline Project (PPP)
East Nantmeal Township, Chester County

Dear Ms. Cluck,

Per our discussion, attached is the Grading Permit application, filing fee (\$200.00), Site Restoration and Post-Construction Stormwater Report, and E&S Plan drawings for the Pennsylvania Pipeline Project within East Nantmeal Township. With this application, it is requested that you review the project for Act 167 consistency and floodplain consistency. The project limits of disturbance will be restored to meadow condition within the township. There are no permanent stormwater BMPs or impervious areas proposed within East Nantmeal Township.

As a public utility corporation certificated and regulated by the Pennsylvania Public Utility Commission, Sunoco Pipeline LP's ("SPLP") nonbuilding facilities, including the pipeline, are not subject to municipal Zoning and SALDO regulations. See Duquesne Light Co. v. Upper St. Clair Twp., 105 A.2d 287 (Pa. 1954). SPLP files this application under protest and reserves all rights afforded to it as a public utility corporation.
