RE: Sunoco Pipeline, LP – Pennsylvania Pipeline Project
Municipal Floodplain/Stormwater Management Program Consistency Letter

Dear Ms. Batoon:

Please be advised that, based on the information presented in the Tetra Tech letter dated November 10, 2015, no specific approvals are required by the Township's Stormwater Management Ordinance (Chapter 174 of the Code of the Township of Derry); however, compliance with all county, state, and federal regulations is required.

In regard to the Floodplain Management Plan, the above-referenced project is not located in the boundary of the FEMA Flood Insurance Study and therefore this project has no effects on the Floodplain Management Program effective in the Township.

If you have any questions, please do not hesitate to contact me at (717) 533-2057, option 2.

Sincerely,

Charles W. Emerick, Jr., CFM
Director of Community Development
