Mr. Clark,

I am emailing to follow-up the voicemail message I left last week, and yesterday regarding the Sunoco Pennsylvania Pipeline Project and our Act 167 Stormwater/Floodplain Management Consistency Request. Per my voicemail, we are trying to track down Middletown Township's response to our request for determination. If you can please provide a copy of the determination sent to us at your earliest convenience, that would be much appreciated. I apologize for the inconvenience this may have caused you. Thank you sincerely.

Regards,
Ailene
