RE: HDD Re-evaluation Report  
HDD 1B-0260, E65-973  
Gombach Road Crossing  
Penn Township, Westmoreland County

Dear Mr. Gordon:

The Department of Environmental Protection (DEP) has reviewed the information submitted on May 21, 2018 for the S1B-0260 Gombach Road Crossing HDD.

DEP requests the following:

1. SPLP has concluded that this site is not suitable for standard HDD activity, however, Page 4 of the reevaluation report indicates that geophysical data was obtained for this HDD site, specifically 3D seismic data. While it does not change the conclusion, this information should be included in the report as per the requirements of the EHB order.

If you have any questions regarding the matter, please contact me at 412.442.4149, or by email at [dadrake@pa.gov](mailto:dadrake@pa.gov).

Sincerely,

A handwritten signature in black ink that reads "Dana Drake".
