Permit No. E31-234  
Tell Township, Huntingdon County

Dear Mr. Gordon:

The Department of Environmental Protection (DEP) has reviewed the supplemental Horizontal Directional Drill (HDD) analysis that Sunoco Pipeline, L.P. (SPLP) submitted for the Campbell/Georges Creek 16-inch HDD Location (S2-0155-16) and permitted under Permit E31-234. The SPLP HDD re-evaluation was posted on the DEP Pipeline Portal on February 12, 2019. SPLP submitted additional information for this HDD re-evaluation on August 14, 2019. The supplemental information is adequate with the understanding that you will be proceeding as set forth in your re-evaluation.

The DEP's review of the geologic aspects of this HDD re-evaluation were completed by a Licensed Professional Geologist.

You may proceed with the permitted HDD activity in the manner proposed in your re-evaluation and in accordance with all applicable permit terms and conditions, including the HDD IR and Water Supply PPC plans.

If you have additional questions, please call Edward Muzic at 717-705-4765 or email at [emuzic@pa.gov](mailto:emuzic@pa.gov).
