Dear Mr. Gordon:

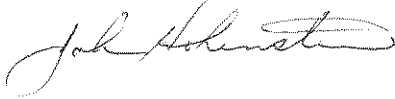

The Department of Environmental Protection (DEP) has reviewed the supplemental Horizontal Directional Drill (HDD) analysis that Sunoco Pipeline, L.P. (SPLP), submitted for the Slitting Mill Road Crossing, 20-inch HDD Location (S3-0560) and permitted under Permit E23-524. The SPLP HDD reevaluation was posted on DEP's Pipeline Portal on October 10, 2019. The information is adequate with the understanding that you will be proceeding as set forth in your reevaluation.

DEP's review of the geologic aspects of this HDD reevaluation were completed by a Licensed Professional Geologist.

You may proceed with the permitted HDD activity in the manner proposed in your reevaluation and in accordance with all applicable permit terms and conditions, including the HDD IR and Water Supply PPC Plans.
