Re: Hydrogeological HDD Re-Evaluation Report
Everett Railroad 16-inch Horizontal Directional Drill (S2-0121-16)
Permit No. E07-459
Blair Township, Blair County

Dear Mr. Gordon:

The Department of Environmental Protection (DEP) has reviewed the supplemental Horizontal Directional Drill (HDD) analysis that Sunoco Pipeline, L.P. (SPLP) submitted for the Everett Railroad, 16-inch HDD Location (S2-0121-16) and permitted under Permit E07-459. The SPLP HDD re-evaluation was posted on the DEP Pipeline Portal on March 6, 2019. SPLP submitted additional information for this HDD re-evaluation on September 19 and October 1, 2019. The supplemental information is adequate with the understanding that you will be proceeding as set forth in your re-evaluation.

The DEP's review of the geologic aspects of this HDD re-evaluation were completed by a Licensed Professional Geologist.

You may proceed with the permitted HDD activity in the manner proposed in your re-evaluation and in accordance with all applicable permit terms and conditions, including the HDD IR and Water Supply PPC plans.

If you have additional questions, please call Edward Muzic at 717-705-4765 or email at emuzic@pa.gov.

Sincerely,

Scott Williamson
Program Manager
