Sunoco Pennsylvania Pipeline Project (PPP)
Rostraver Township, Westmoreland County

Dear Mr. Lohr,

Attached to this letter are Zoning Permit Applications and Zoning Certificate Fees (\$400.00 total) for work within fifty (50) feet of a stream during Sunoco Pipeline L.P.'s installation of the Pennsylvania Pipeline Project within Rostraver Township. The applications are in reference to properties with the following Tax IDs:

- 56-02-00-0-057,
- 56-02-000-099,
- 56-02-00-0-106, and
- 56-02-00-0-066.

Also included are the Zoning Hearing Board written decisions granting special exception approval for work within fifty (50) feet of a stream, as they pertain to all four properties.

As a public utility corporation certificated and regulated by the Pennsylvania Public Utility Commission, Sunoco Pipeline LP's ("SPLP") nonbuilding facilities, including the pipeline, are not subject to municipal zoning regulations, including zoning permit requirements. See Duquesne Light Co. v. Upper St. Clair Twp., 105 A.2d 287 (Pa. 1954). SPLP files these applications under protest and reserves all rights afforded to it as a public utility corporation.

The contractor has not been selected for this section of the project. On the application, the contractor is shown as to be determined (TBD). Once a contractor is selected all required information will be submitted to the township.
