Dear Ms. Mohr,

Enclosed, please find a copy of the Adams County Water Supply / Wellhead Protection Plan, including graphics, saved on a CD. The text of the plan, and 4 of the 6 maps, are saved in pdf format, and should be readable for anyone with a current version of Acrobat Reader. The other 2 maps are large tif images, and you may need to work with someone in your graphics or IT department to access and view these images. Finally, please note that the text pdf file does not include all of the information originally included in the appendices. If this information is needed, contact our Office and we can figure out a way to get this material to you.

I trust that this CD provides the information we discussed. Should you have any further questions, do not hesitate to contact me by phone at 337-9824 or by email at [rthaeler@acc.pa.net](mailto:rthaeler@acc.pa.net).

Sincerely,

Robert Thaeler  
Senior Planner
