Comments from the Public
There were no comments from the public.

DEP Summary of Activities
Jay Braund reviewed efforts to establish a Water Resource Technical Assistance Center (WRTAC) as required by Act 220. DEP and SRBC are working with the PA Environmental Council to establish the center. PEC is developing a website, a business plan for the Center, and is taking steps to establish non profit incorporation for the center.

Review of CWPA Status and Comments from the Public:
Dave Jostenski provided a summary of comments received on all watersheds including testimony received at public hearings and written comments coming

into the Department. Dave indicated that comments where considered but that Temple Creek still meets the Departments criteria for designation.

Jerry Allender made a motion and Dave Skellie 2nd the motion. All voted in favor if moving Temple Creek forward to the Statewide Committee as a potential CWPA.
