Dear Ms. Epps:

At the July 16, 2013 Citizens Advisory Council (Council or CAC) meeting, the recommendation from the CAC Policy and Regulatory Oversight Committee to support moving the Bureau of Air Quality's Title V annual emission fee final rulemaking to the Environmental Quality Board was accepted. This recommendation was based on a briefing provided to the Committee on June 21, 2013 by Dean Van Orden.

In addition Council encourages the Bureau of Air Quality to continually look for every opportunity to reduce program costs through efficiencies in program administration or reductions in regulatory requirements in future rulemakings.

If you have any questions regarding Council's actions, please contact me at 717-787-4527 or mahughes@pa.gov.

Sincerely,

Marjorie L. Hughes
Executive Director
